**THIRD SUPPLEMENT**

**In the Matter of the Application of Global Internetworking, Inc. and 20/20 Technologies, Inc., For Grant of Authority Pursuant to Section 214 of the Communications Act of 1934 and Sections 63.04, 16.18 and 63.24 of the Commission's Rules to Complete a Transfer of Control of Authorized International and Domestic Interstate Carrier**

Dear Ms. Dortch:

Global Internetworking, Inc. ("Global Internetworking") and 20/20 Technologies, Inc. ("20/20") (collectively, the "Applicants"), hereby respond to informal inquiries from Staff and confirm that following the proposed transactions described in the above application that ultimate ownership of Applicants is expected to be widely and publicly held.

Applicants further confirm that they do not anticipate that following the proposed transactions, any entity will own or control more than ten percent (10%) directly or indirectly of Global Internetworking. In the unlikely event, however, that in connection with the proposed transactions, a third party does obtain a ten percent or greater interest, Applicants will promptly advise the Commission of that ownership interest.
