ITC-214-200001025-00632

Dear Ms. Dortch:

This letter is submitted to the Commission pursuant to 47 CFR 63.24(e)(4) to notify the Commission of the consummation of the transactions underlying the above-referenced applications for authority to transfer domestic and international Section 214 Authorizations.

The Application for Transfer of Control of Arlington Telephone Company, The Blair Telephone Company, Eastern Nebraska Telephone Company, Rock County Telephone Company, and HuntTel Cablevision, Inc. d/b/a HuntTel Communications from HuntTel Systems, Inc., to Noble Holdings, Inc., WC Docket No. 06-14, was granted with an effective date of March 4, 2006, and announced by Public Notice DA 06-525 on March 6, 2006.

International authorization ITC-214-200001025-00632 was granted originally to HuntTel Systems, Inc., with an effective date of November 15, 2000, and announced in Public Notice DA 00-2585 on November 16, 2000. A *pro forma* assignment to wholly-owned subsidiary HuntTel Cablevision d/b/a HuntTel Communications was executed on or about on March 1, 2006 (IBFS Submission ID IB20006000553). The transfer of control

of the International Section 214 Authority from HunTel Cablevision to Noble Holdings, Inc. was effective March 17, 2006, and announced in Public Notice DA 06-642, TEL-01008, on March 23, 2006.

The transaction underlying the applications was consummated on May 2, 2006. Due to an inadvertent oversight, this notification to the Commission was not filed within the 30 day time frame specified by 47 CFR 63.24(e)(4). Accordingly, waiver is sought to the extent this notification is submitted beyond the time specified by that rule. Waiver is appropriate because the Commission is notified herein of the consummation of a transaction related to applications made before and granted by the Commission within a short period past the deadline.

Sincerely,

s/David Cosson
