Re: Transfer of Control of Arlington Telephone Company, The Blair Telephone Company, Eastern Nebraska Telephone Company, Rock County Telephone Company, and HunTel Cablevision, Inc., d/b/a HunTel Communications from Huntel Systems, Inc. to Noble Holdings, Inc.
WC Docket No. 06-14; ITC-T/C-20060118-0023 E

Dear Ms: Dortch:

Nobel Holdings, Inc., transferor in the above applications, provides this information for the Commission's records regarding changes in the parties with an interest in its parent, American Broadband Acquisition, II.

The Application for Transfer of Control, referenced above was granted by the Wireline Competition Bureau on March 6, 2006, DA 06-525, and by the International Bureau on March 17, 2006, DA 06-642 (rel. March 23, 2006). Subsequent to these grants, transferee Noble Holdings, Inc. has decided to make certain changes in its ownership structure. These changes include an increase in Nobel's ownership of the carriers from 73.8% to 100% and eliminate the 26.2% ownership of the carriers by Nobel's affiliate, American Broadband Capital, Inc. Noble will continue to be 100% owned by American Broadband Acquisition Corporation II ("ABAC II").

ABAC II, however will now be 100% owned by American Broadband Communications, LLC. Signal Equity Partners II, that was listed in the Application as a 40% owner of ABAC II, will now play no part in the transaction. This change will eliminate the foreign ownership element of the Signal Equity Partners II participation.

Please direct any questions regarding this matter to me.

Sincerely yours

David Cosson
Counsel to Nobel Holdings, Inc.
