Re: West Central Technologies, Inc. and Arvig Enterprises, Inc.
Application for Transfer of Control of WETEC, LLC
Supplemental Filing
WCB Docket No. 06-37

Dear Ms. Dortch:

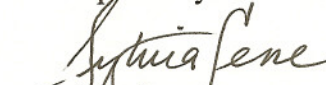

In response to requests for clarification raised by staff with respect to the referenced application,¹ West Central Technologies, Inc. ("West Central"), Arvig Enterprises, Inc. ("Arvig") and WETEC, LLC ("WETEC"), by counsel, provide the following information:

The parties are not seeking presumptive streamlined processing pursuant to Section 63.03(b)(iii) of the Commission's Rules² due to the fact that applicant Arvig operates local exchange territories which abut the WETEC service area of Park Rapids. Specifically, Arvig's Osage exchange abuts Park Rapids on the west, and Arvig's Nevis exchange abuts Park Rapids on the east. Nonetheless, expedited consideration of the proposed transaction is warranted because (1) no party has market power in the area served by WETEC either before or after the transaction, and (2) consummation of the proposed transaction will not impact adversely the level of competition in the WETEC service area.

As indicated in the application, WETEC currently is owned equally by each of West Central and Arvig. WETEC is a Minnesota limited liability corporation, located at 105 Third Street, PO Box 151, Park Rapids, Minnesota 56470. Its contact representative is its president, Mr. David, Pratt, who may be reached at 218/346-5500 (facsimile: 218/346-8829).

Please refer any questions regarding this matter to the undersigned,

Respectfully submitted,

Sylvia Lesse

¹ The parties also filed an application for authorization to transfer control of WETEC's international Section 214 authority under File No. ITC-T/C-20060123-00036.

² The parties are otherwise ineligible for other categories of presumptive streamlined treatment.

DECLARATION OF DAVID A. PRATT

I, David A. Pratt, President of WETEC, LLC, do hereby declare under penalty of perjury that I have read the foregoing Supplemental Filing, WCB Docket No. 06-37, and that the facts stated therein are true and correct, to the best of my knowledge, information and belief.

David A. Pratt
