Re: West Central Technologies, Inc. and Arvig Enterprises, Inc.
Application for Transfer of Control of WETEC, LLC
Supplemental Filing
WCB Docket No. 06-37

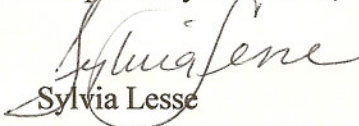

Dear Ms. Dortch:

Upon review of the facts attendant to the referenced application and in response to requests for clarification raised by staff, West Central Technologies, Inc. ("West Central"), Arvig Enterprises, Inc. ("Arvig") and WETEC, LLC ("WETEC"), by counsel, provide the following information in support of their request for streamlined treatment pursuant to Section 63.03(b)(2)(ii) of the Commission's Rules.

The proposed transaction will result in the transferee, Arvig, a dominant incumbent local exchange company ("ILEC") within its service area,¹ having a market share in the interstate, interexchange market of less than 10%. In addition, transferee Arvig, together with its current and proposed affiliates, including WETEC, provide competitive telephone exchange services or exchanges access services exclusively in geographic areas served by a dominant local exchange carrier that is not a party to this transaction. Further, pursuant to Section 63.03(b)(2)(ii), the applicants are dominant carriers, ILECs Arvig and West Central,² and a non-dominant applicant, competitive local exchange carrier, WETEC, that provides services exclusively outside the geographic area where the dominant carriers are dominant. Accordingly, streamlined treatment of the instant application is presumptively applicable.

Please refer any questions regarding this matter to the undersigned,

Respectfully submitted,

Sylvia Lesse

¹ See Application for Transfer of Control filed January 23, 2006 ("Application") at n. 1 listing Arvig and Arvig affiliate ILEC exchanges.

² See Application at n.2 listing West Central affiliate ILEC exchanges.
