Subject: RE: FCC red light status for Network Telephone Corporation

Joanne:

Thank you for your help today. As we discussed, Network Telephone's correct FRN is FRN 0004071262. The regulatory contact is Margaret Ring.

Please contact Danielle Burt (contact information below) or Karen Moran (215-862-1089) if there is any more information that we can get you.

Thanks again,

Francie McComb

Thanks Francie for looking into this. Please note that we filed the application using NTC's FRN 0004071262, which when I checked the FCC's website today shows green light status (see attached). However, the FCC staffer mentioned FRN 0009179029.
