Subject: Knology/PrairieWave applications to transfer control of Section 214 authority

All:

Attached are copies of the applications filed Friday, February 16, to transfer control of domestic and international Section 214 authority from PrairieWave to Knology.

Please note that counsel for PrairieWave contacted me this morning to advise that the incorrect FRN was listed in the application for PrairieWave Holdings, Inc. The correct FRN is 0013556675. Do we need to submit a letter to make this correction?

Thanks,
Randy
