Federal Communications Commission
Office of the Secretary

SUPPLEMENT TO JOINT INTERNATIONAL APPLICATION
FOR STREAMLINED CONSENT TO TRANSFER CONTROL

Telephone Service Company ("TSC") and Hanson Communications, Inc. ("Hanson") hereby submit this supplement to provide additional information in connection with the above-referenced application. Specifically, the applicants submit the following clarifications:

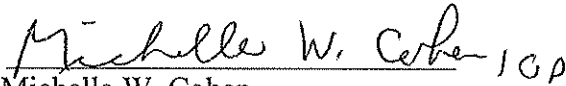

- 1) TSC's subsidiary, TSC Communications, Inc. ("TSCCI"), which holds an international Section 214 authorization from the Commission granted in 1997, has been organized as a corporation since its incorporation in 1994. The applicants request that the Commission's records be clarified to state the full name of the Section 214 international authorization holder as: TSC Communications, Inc.
- 2) The transferor Telephone Service Company, the transferee Hanson Communications, Inc., and a newly-formed corporation TSC Acquisition Co., entered into an "Agreement and Plan of Merger" on March 12, 2007. This agreement was executed as follows: by Lonnie D. Pedersen, President, on behalf of Telephone Service Company; by Bruce C.

Hanson, Treasurer, on behalf of Hanson Communications, Inc., and by Bruce C. Hanson, Treasurer, on behalf of TSC Acquisition Co.

- 3) The parties clarify that the above-referenced application seeks Commission consent to a transfer of control of TSC from its current stockholders to Hanson. TSCCI will remain in existence as a subsidiary of TSC and will continue to provide service under the existing authorization. Thus, the Section 214 international authorization will remain with TSCCI.
- 4) Hanson states that, both currently and post consummation, the voting interests of the reportable owners of the transferee Hanson will be identical to the equity ownership previously reported.

Should the Commission have any questions concerning the foregoing, kindly contact the undersigned counsel.

Respectfully submitted,
TELEPHONE SERVICE COMPANY
