RE: *International Transfer of Control Application filed for the Transfer of Control of Tech Telephone Company, L.P. d/b/a TechTel Communications to AMA Communications, LLC; ITC-ASG-2002-1213-00597; Applicants' Notice of Consummation;*  
*International Transfer of Control Application filed for the Transfer of Control of AMA Communications, LLC from Attebury Companies, Inc. to Dialog Telecom LLC; ITC-T/C-2007-0621-00240; Response to Staff's Informal Inquiry Regarding Attebury Companies, Inc.*

Dear Ms. Dortch:

During review of a pending application to transfer control of AMA Communications, LLC ("AMA") to a third party, it was discovered that the Commission's records do not reflect that the Commission received notice of consummation from the parties of a previously-authorized assignment of international 214 authority. This letter is being provided on behalf of AMA in response to informal Commission staff inquiries about the consummated transaction.

Please accept this letter as notice to the Commission of the consummation of the transaction assigning ITC-214-1998-0622-0430 to AMA. The transaction was identified in the Commission's records as ITC-ASG-2002-1213-00597 and notice of the Commission's approval of the transaction was published on February 13, 2003. The U.S. Bankruptcy Court heard Tech Telephone Company, L.P.'s first amended Plan of Reorganization on July 28, 2003. On October 2, 2003, Tech Telephone Company, L.P. certified to the U.S. Bankruptcy Court that the parties transferred all or substantially all of the property proposed by the confirmed Plan of Reorganization. That transfer included the assignment of the international 214 authorization associated with ITC-214-1998-0622-0430. On October 21, 2003, the court entered its final decree in the case, closing the bankruptcy case.

The current application to transfer control of AMA is being considered in ITC-T/C-2007-0621-00240. AMA Communications, LLC is a wholly-owned subsidiary of Attebury Companies, Inc., as illustrated in the Pre-Transaction Relationships diagram attached to the AMA transfer of

Page Two

control application. At the time of the original transaction assigning ITC-214-1998-0622-0430 to AMA, AMA was a wholly-owned subsidiary of AMA Wireless, L.L.C. AMA Wireless, L.L.C. subsequently acquired another company and changed the name of the surviving company to Attebury Companies, Inc. Thus, the current owner of AMA is the same entity that owned AMA at the time of the original assignment.

Thank you for your assistance with this matter. If you have questions about this letter, please contact me.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "Bradford W. Bayliff".
