Sumita –

Pursuant to our telephone conversation, this will confirm that the applications for Commission consent to the transfer of interests in Leading Edge Broadband LLC from (1) Joseph Stechler & Company and (2) Jonathan Rosenberg are the only applications necessary to the proposed transaction. None others have been filed with the FCC.

Also, the transfer was handled informally, without paperwork. When the actual transfer occurs, after FCC consent is granted, I'm sure they'll document the moving of the ownership interest.

Thanks for your kind assistance in this matter.
