Sumita –

I'm so sorry for the delay in my response. I have been embroiled in 800 MHz rebanding mediations and they have been all-consuming.

In answer to the questions you raised in our call on Wednesday, October 3:

1. Share distribution of CCT Holdings, LLC (50% holder of the Applicant) should be:

Rosenberg Family Trust	41.217%
Joseph Stechler & Co.	35.5%
3 Others	23.283%

2. All of the 3 others are US Citizens.

3. There was a Stock Purchase Agreement for the purchase of the stock of R & R, dated as of December 31, 2005 and effective as of January 1, 2006.

4. There was a Unit Interest Assignment and Purchase Agreement and Amendment to Operating Agreement as of January 1, 2007 for the C/Net: Solutions, LLC purchase.

5. As for the Virgin to C/Net deal, Allen U. Ty, the shareholder of Virgin and the managing director caused Virgin to cause R&R's to sell its units in the Applicant to C/Net. C/Net acquired the unit shares of the Applicant from R&R, but not R&R itself.

6. You are correct, contrary to what we thought, there were no *pro forma* transfers along the way. I'm sorry that we missed the mention.

I trust this is responsive to your inquiry.

Please let me know if questions persist.

Thanks,
marjorie
