Nicholas,

A soft copy of the application does not appear to be available yet in IBFS. I've therefore attached a pdf file of the certifications of PAETEC Holding Corp. and McLeodUSA Incorporated, which are attached to the combined domestic Section 214 application and international section 214 application. (The language used in these certifications is identical to that used in hundreds of certifications we've filed at the FCC.) Please let me know if you have any further questions.

I will get back to you on the HSR question and also advise when the S-4 is filed.

Kind regards,
Grace
