RE: Transfer of Control of Baynet, Inc. File No. ITC-T/C-20071024-00436

Dear Ms. Dortch:

This letter is written on behalf of the Shareholders of Bayland Telephone, Inc. ("Transferors") and of Northeast Communications of Wisconsin, Inc., d/b/a Nsight Telservices ("Nsight"") to clarify certain questions regarding their referenced application for consent to the transfer of control of Bayland Telephone, Inc. ("Bayland") and the International Section 214 authorization for global resale of switched services held by Bayland's subsidiary Baynet, Inc. (File No. ITC-214-19970403-00193).

The parties note that there is a typographical error on the fourth line of Attachment 1 to the referenced application, which refers to the parent company of Baynet, Inc. as "Bayland Telephone Company, Inc." The correct name of the parent company, as stated elsewhere in the application, is Bayland Telephone, Inc.

Because Nsight has issued a relatively small number of Class A non-voting shares (383,911) in addition to its predominant Class B voting shares (4,349,696), the voting interests of Nsight very closely track the equity interests. Nsight has only four shareholders that own ten percent (10.00%) or more of its stock (counting both Class A and Class B shares). Their relative equity and voting interests are:

Name	Equity Percent	Voting Percent
Ray J. Riordan	14.25%	15.51%
Patrick D. Riordan	14.00%	15.24%
Robert H. Riordan	13.61%	14.81%
Estate of Eileen Harper	10.64%	11.58%

Marlene H. Dortch, Secretary November 2, 2007 Page 2 of 2

The Riordan family controls Nsight. The three Riordan brothers (Ray, Patrick and Robert) and the estate of their deceased sister Eileen Harper hold a controlling 57.14 percent majority of the voting interests in Nsight and 52.50% of its equity. In addition, three children of Eileen Harper own an aggregated 2.73 percent of Nsight's voting stock and 2.51 percent of its equity. Altogether, the Riordan family holds a combined 59.87 percent of Nsight's voting stock and 55.01 percent of its equity.

The proposed transfer of control is sought under the "Agreement and Plan of Merger by and among Bayland Acquisition, Inc., Northeast Communications of Wisconsin, Inc., Bayland Telephone, Inc., Roger L. Hermsen as a Management Shareholder and as a Shareholder Representative, and Certain Other Management and Other Shareholders of Bayland Telephone, Inc., "which agreement is dated as of September 14, 2007.

Please let us know if you have any further questions.

Respectfully submitted

Gerard J. Duffy
