Sumita,

In response to your inquiry yesterday, I have provided the requested summaries of the Stock Purchase Agreements that were entered into as part of the transaction described in the Application with the docket number above. There are three Stock Purchase Agreements that were signed as part of the proposed transaction. There was a separate Stock Purchase Agreement issued for each group of the shareholders. The first Stock Purchase Agreement was entered into between American Broadband Communications, LLC, TelAlaska Holdings, Inc. and TelAlaska, Inc. Profit Sharing Savings Plan, on July 17, 2007. The second Stock Purchase Agreement was entered into between American Broadband Communications, LLC, TelAlaska Holdings, Inc. and various stockholders of TelAlaska Incorporated on July 17, 2007. The third Stock Purchase Agreement was entered into between American Broadband Communications, LLC, TelAlaska Holdings, Inc. and CenturyTel of the Northwest, Inc. on July 24, 2007.

Please let me know if you require any further information.

Best regards,

Karly Baraga

We are reviewing the application, and hope to have it on PN this week. We will contact you if we need any further information or have any questions.

Thanks.

Dear David:

I recently filed an Application for the Transfer of the Control of the International 214 Licenses of TelAlaska Long Distance, Inc. to TelAlaska Holdings, Inc, and it was given the above-referenced docket number. I was hoping that you could assist me with who I should speak with at your Bureau to simply track how the application is coming along, and to see if there are any immediate issues or questions on the Application that I can address. I am not certain at this time who is reviewing it.

Thank you very much for your assistance.

Best regards,

Karly Baraga
