ATTACHMENT 1
Request for Further Extension of Special Temporary Authority

On May 27, 2008, FLAG Telecom Group Services Limited ("FLAG"), Vanco Solutions, Inc. and Vanco US, LLC (together, "Vanco," and collectively with FLAG, the "Applicants") filed applications (the "Applications") seeking the Commission's consent to transfer control to FLAG of Vanco, which holds international Section 214 authorizations from the Commission (File Nos. ITC-214-20070703-00260 and ITC-214-20070703-00262, respectively) and blanket authority to provide domestic interstate services under Section 214 of the Act and Section 63.01(a) of the Commission's rules. Simultaneously with the filing of the Applications, the Applicants requested special temporary authority ("STA") in WC Docket No. 08-79 and IBFS File No. ITC-STA-20080527-00240 to transfer control of Vanco to FLAG pending full FCC review of the Applications for the reasons set forth in the request for such STA. The STA was granted on May 27, 2008, and was subsequently extended until August 25, 2008 and September 24, 2008 with respect to IBFS File No. ITC-STA-20080527-00240 and WC Docket No. 08-79, respectively.

The Applicants have been informed that the Executive Branch agencies (collectively referred to as "Team Telecom") that are reviewing the Applications will not complete their review prior to August 25, 2008. The Applicants therefore respectfully request that the STA in IBFS File No. ITC-STA-20080527-00240 be made coterminal with the STA in WC Docket No. 08-79 and extended for a period of 30 days, i.e., until September 24, 2008, so that such review may be completed. Team Telecom has advised the applicants that they do not object to an extension of the STA.

Re: FLAG Telecom Group Services, Inc.

Request for Special Temporary Authorization

Dear Sir or Madam:

We represent FLAG Telecom Group Services Limited ("FLAG"), the parent of Reliance Globalcom Services, Inc. (formerly Xipes Enterprise Services, Inc.) which holds an international Section 214 authorization from the Commission (File No. ITC-214-20031104-00505) and blanket authority to provide domestic interstate services under Section 214 of the Act and Section 63.01(a) of the Commission's rules. FLAG is simultaneously filing applications seeking the Commission's consent to transfer control to FLAG of Vanco Solutions, Inc. and Vanco US, LLC (collectively, "Vanco"), which also hold international Section 214 authorizations from the Commission (File Nos. ITC-214-20070703-00260 and ITC-214-20070703-00262, respectively) and blanket authority to provide domestic interstate services under Section 214 of the Act and Section 63.01(a) of the Commission's rules.

Vanco provides important telecommunications services through its virtual network to many domestic and multinational companies. Unfortunately, Vanco PLC, the indirect parent of Vanco, is almost out of cash and cannot draw any further on its bank credit facility. Vanco's CEO recently resigned. A restructuring expert was subsequently appointed to deal with Vanco PLC's financial crisis. Vanco PLC ultimately became the subject of administration proceedings in the United Kingdom in which an administrator has been appointed to manage the company's affairs, business, and property for the benefit of its creditors (similar to a bankruptcy trustee in the United States). The administrator has approved FLAG's bid for Vanco, and in light of the distressed state of the company, the parties must now proceed to close the proposed acquisition immediately in order to avoid insolvency and immediate cessation of services to Vanco's customers.

We represent FLAG Telecom Group Services Limited ("FLAG"), Vanco Solutions, Inc. and Vanco US, LLC (together, "Vanco," and collectively with FLAG, the "Applicants"). On May 27, 2008, the Applicants filed applications (the "Applications") seeking the Commission's consent to transfer control to FLAG of Vanco, which holds international Section 214 authorizations from the Commission (File Nos. ITC-214-20070703-00260 and ITC-214-20070703-00262, respectively) and blanket authority to provide domestic interstate services under Section 214 of the Act and Section 63.01(a) of the Commission's rules. Simultaneously with the filing of the Applications, the Applicants requested special temporary authority ("STA") in W/C Docket No. 08-79 and IBFS File No. ITC-STA-20080527-00240 to transfer control of Vanco to FLAG pending full FCC review of the Applications for the reasons set forth in the request for such STA. The STA was granted on May 27, 2008, and was subsequently extended until December 19, 2008 and December 22, 2008 with respect to IBFS File No. ITC-STA-20080527-00240 and W/C Docket No. 08-79, respectively. See IBFS File Nos. ITC-STA-20080718-00328; ITC-STA-20080811-00376; ITC-STA-20080918-00434; and ITC-STA-20081117-00504.

The STA will expire December 22, 2008 and December 19, 2008 with respect to W/C Docket No. 08-79 and IBFS File No. ITC-STA-20081117-00504, respectively. The Applicants have been informed that while the Executive Branch agencies (collectively referred to as "Team Telecom") that are reviewing the Applications have completed their review, Team Telecom will likely be unable to make the requisite filing with the Commission in time for the Commission to act on the Applications before expiration of
