Mr. Krech and Ms. Sutton:

I am sending you this email at the recommendation of Howard Griboff.

Innovative Communications Corporation (ICC) and its wholly-owned subsidiary Vitelcom Cellular, Inc. hold the International Section 214 Authorizations with the file numbers listed below. On Nov. 19, 2007, the Chapter 11 Bankruptcy Trustee of ICC, Stan Springel, filed the attached Letter with the Commission, among other things, to comply with 47 CFR 63.24, which requires notice to the Commission of any involuntary transfer of control (such as the transfer of control to a bankruptcy trustee). Section III of the Letter (pages 5-6) provides the information required in paragraphs (a) through (d) and (h) of § 63.18 for involuntary transfers of control.

The specific authorizations at issue are:

(1) ICUSC, Inc., File No. ITC-214-19990330-00206 -- [Please note that IBFS reflects that the licensee of record is ICUSC, Inc. However, in April 2001, there was a pro forma transfer of control from ICUSC to ICC. On 12/19/08, we requested via email that the Commission update IBFS to reflect that Innovative Communication Corporation, not ICUSC, is the licensee of record.]

(2) Vitelcom Cellular, Inc., File No. ITC-214-19990330-00207

(3) Vitelcom Cellular, Inc., File No. ITC-214-19930312-00048

12/31/2008

We would like to confirm that the Bureau received the Letter giving notice of the involuntary transfer of control to Stan Springel as Trustee for the estate of ICC, and that the Letter provided the appropriate notice with respect to the above referenced International Section 214 Authorizations.

Thank you very much for your assistance. Please let me know if you have any questions.

Re: *Notification of Involuntary Transfers of Control and Assignments in Connection with  
Appointment of Chapter 11 Trustee in Bankruptcy of Innovative Communication  
Corporation and Requests for Associated Waivers*

Dear Ms. Dortch and FCC Bureau Chiefs:

On October 4, 2007, Judge Judith K. Fitzgerald of the U.S. District Court for the Virgin Islands, Division of St. Thomas and St. John, Bankruptcy Division, appointed me, Stan Springel, as the Chapter 11 Trustee for the bankruptcy estate of Innovative Communication Corporation ("New ICC"), a Commission licensee and authorization holder as well as the parent company of numerous other

licensees and authorization holders providing domestic and international wireline and wireless communications and cable television services in the U.S. Virgin Islands. I write to you jointly to notify your bureaus, as required by Commission rules, of numerous involuntary transfers of control and assignments effected by my appointment and also to request waivers where necessary of the Commission's electronic filing requirements for such notifications, as my staff and I have been unable to obtain all of the necessary passwords for the relevant FCC Registration Numbers ("FRNs") of New ICC and its subsidiaries. Finally, I request that you reset the passwords for those FRNs and provide me with new initial passwords that would allow me to make the requisite filings.

## I. Background

Prior to his personal bankruptcy, Jeffrey J. Prosser was the ultimate owner of a group of companies providing, *inter alia*, domestic wireline and wireless telecommunications services and cable television services in the U.S. Virgin Islands. Mr. Prosser controlled these businesses through two intermediate holding companies: Innovative Communication Company, LLC ("ICC-LLC") and Emerging Communications, Inc. ("EmCom"), both of which are in bankruptcy. I am also the Chapter 11 Bankruptcy Trustee for these two holding companies. EmCom is the direct parent company of New ICC. New ICC is itself a Commission licensee and authorization holder and wholly owns numerous other Commission licensees, authorization holders, and registrants. The chart in Exhibit A to this letter details the organizational relationships of Mr. Prosser and these entities.<sup>1</sup>

### A. The Bankruptcies

On February 10, 2006, a creditor filed involuntary Chapter 11 petitions in the U.S. Bankruptcy Court for District of Delaware against Jeffrey J. Prosser and two companies owned and controlled by him, Innovative Communication Company LLC ("ICC-LLC") and Emerging Communications, Inc. ("EmCom"). On July 31, 2006, Mr. Prosser, ICC-LLC, and EmCom filed voluntary Chapter 11 petitions in the U.S. District Court for the Virgin Islands, Division of St. Thomas and St. John, Bankruptcy Division. The court later ruled that venue should be in the latter court, in the U.S. Virgin Islands.<sup>2</sup>

On February 13, 2007, the court granted the U.S. Trustee's motion for the appointment of a Chapter 11 trustee in the ICC-LLC and EmCom cases.<sup>3</sup> On March 7, 2007, the court entered an order appointing me as Chapter 11 Trustee for the bankruptcy estates of ICC-LLC and EmCom.<sup>4</sup>

---

<sup>1</sup> In some cases, the licenses, authorizations, and registrations are held by entities the names of which differ slightly from those shown in the organization chart. See Exhibits D-1. I will work with the entities to resolve these inconsistencies and duplications in future filings with the Commission.

<sup>2</sup> Order Determining that Venue Is Proper in the District Court for the District of the Virgin Islands, Bankruptcy Division, Case No. 06-30007 (Bankr. V.I., entered Dec. 14, 2006).

<sup>3</sup> Order of Court Granting Motion to Appoint Trustee, Case No. 06-30007 (Bankr. V.I., entered Feb. 13, 2007).

<sup>4</sup> Order Appointing Stan Springel as Chapter 11 Trustee, Case No. 06-30007 (Bankr. V.I., entered Mar. 15, 2007), attached as Exhibit B to this letter.

On September 21, 2007, the court granted an involuntary Chapter 11 petition pending in the U.S. District Court for the Virgin Islands, Division of St. Thomas and St. John, Bankruptcy Division, and placed New ICC in bankruptcy. On October 3, 2007, the court granted a creditor's motion for the appointment of a Chapter 11 trustee in the New ICC case.<sup>5</sup> On October 4, 2007, the court entered an order appointing me as Chapter 11 Trustee for the bankruptcy estate of New ICC.<sup>6</sup> Notwithstanding numerous objections and appeals by Mr. Prosser, the court's appointments of me as Chapter 11 Trustee in the ICC-LLC, EmCom, and New ICC cases remain in force.

As the corporate bankruptcies progressed, the court, on October 3, 2007, converted Jeffrey J. Prosser's voluntary personal Chapter 11 bankruptcy to an involuntary Chapter 7 liquidation.<sup>7</sup> The court appointed a Chapter 7 Trustee in Jeffrey J. Prosser's case, but that Chapter 7 trustee subsequently resigned. Effective October 31, 2007, the court appointed James Carroll as Chapter 7 Trustee of Jeffrey J. Prosser's bankruptcy estate.<sup>8</sup>

The court has not approved a plan of reorganization in the Chapter 11 cases for ICC-LLC, EmCom, or New ICC. I recognize that Commission consent will almost certainly be required for the consummation of any plan or plans of reorganization and will ensure, as long as I am Chapter 11 Trustee for these estates, that all such Commission requirements be observed.

#### B. The Chapter 11 Trustee

In addition to my appointment as Chapter 11 Trustee for the estates of New ICC, ICC-LLC, and EmCom, I am a Managing Director of Alvarez & Marsal, specializing in corporate restructuring and turnaround work. I am a U.S. citizen with my address and principal place of business at:

**II. Notification of Involuntary Transfers of Control and of an Involuntary Assignment of Domestic Common Carriers Pursuant to 47 C.F.R. § 63.03(d)**

Section 63.03(d)(1) of the Commission's rules expressly provides that:

[a]ny party that would be a domestic common carrier under section 214 of the Communications Act of 1934, as amended, is authorized to undertake any corporate restructuring, reorganization or liquidation of internal business operations that does not result in a change in ultimate ownership or control of the carrier's lines or authorization to operate, *including transfers in bankruptcy proceedings to a trustee* or to the carrier itself as a debtor-in-possession.

47 C.F.R. § 63.03(d)(1) (emphasis added).

Any party that would be a domestic common carrier under section 214 of the Communications Act of 1934, as amended, must notify the Commission no later than 30 days after control of the carrier is transferred to a trustee under Chapter 7 of the Bankruptcy Code, a debtor-in-possession under Chapter 11 of the Bankruptcy Code, *or any other party pursuant to any applicable chapter of the Bankruptcy Code* when that transfer does not result in a change in ultimate ownership or control of the carrier's lines or authorization to operate.

47 C.F.R. § 63.03(d)(2) (emphasis added). My appointment as Chapter 11 Trustee for the estate of New ICC therefore qualifies as a bankruptcy event not resulting in a change in the ultimate ownership

or control of the domestic common carriers listed in Exhibit D to this letter, and notification pursuant to 47 C.F.R. § 63.03(d) is therefore proper.

As required by 47 C.F.R. § 63.03(d)(2), I hereby provide the information requested in 47 C.F.R. §§ 63.04(a)(1) through (a)(4) with respect to the domestic common carriers listed in Exhibit D to this letter:

(a)(1) *Name, address, and telephone number of applicant.* See part I.B above

(a)(2) *Government, State, or Territory of Organization:* Inapplicable for an individual transferee/assignee. I am a U.S. citizen.

(a)(3) *Contact Information:* See part I.B above.

(a)(4) *Ownership Disclosures:* As I am an individual serving as a court-appointed Chapter 11 Trustee, I have no 10-percent-or-greater direct or indirect owners.

### III. Notification of Involuntary Transfers of Control and of an Involuntary Assignment of International Section 214 Authorizations Pursuant to 47 C.F.R. §§ 63.24(f) & (g)

Pursuant to 47 C.F.R. § 63.24(f), a party may notify the Commission within 30 days of any *pro forma* transfer of control of an international Section 214 authorization holder or of any *pro forma* assignment of an international Section 214 authorization. 47 C.F.R. § 63.24(g) of the Commission's rules expressly provides that:

[I]n the case of an involuntary assignment or transfer of control to: a *bankruptcy trustee appointed under involuntary bankruptcy*; an independent receiver appointed by a court of competent jurisdiction in a foreclosure action; or, in the case of death or legal disability, to a person or entity legally qualified to succeed the deceased or disabled person under the laws of the place having jurisdiction over the estate involved; the applicant must make the appropriate filing no later than 30 days after the event causing the involuntary assignment or transfer of control.

47 C.F.R. § 63.24(g) (emphasis added). My appointment as Chapter 11 Trustee for the estate of New ICC therefore qualifies as a *pro forma* event, and notification pursuant to 47 C.F.R. § 63.24(f) is therefore proper.

As required by 47 C.F.R. § 63.24(f)(2)(i), I hereby provide the information requested in 47 C.F.R. §§ 63.18(a) through (d) and (h) with respect to the international Section 214 authorizations listed in Exhibit E to this letter:

(a) *Name, address, and telephone number of applicant:* see part I.B above

- (b) *Government, State, or Territory of Organization*: Inapplicable for an individual transferee/assignee. I am a U.S. citizen.
- (c) *Contact Information*: see part I.B above
- (d) *Statement re Previous Authority*: I have not previously received authority under Section 214 of the Communications Act of 1934, as amended
- (h) *Ownership and Interlocking Directorate Disclosures*: As I am an individual serving as a court-appointed Chapter 11 Trustee, I have no 10-percent-or-greater direct or indirect owners. I also do not hold any interlocking directorates with any foreign carrier.

By the signature below, I certify, as required by 47 C.F.R. § 63.24(f)(2)(ii), that the transfers of control of international Section 214 authorization holders Vitelcellular and Vitelcom Cellular, Inc., and the assignment of the international Section 214 authorization of New ICC, were each *pro forma* and, when taken together with all previous *pro forma* transactions, do not result in a change in the actual controlling party.

#### IV. Waiver Request with Respect to Satellite Earth Station Authorization

Pursuant to 47 C.F.R. § 1.3, I request a waiver of the electronic filing and application requirements in 47 C.F.R. §§ 25.110(b), 25.119(d), and 25.130 with respect to the involuntary transfer of control of the satellite earth station authorization for a common-carrier transmitting earth station operating in the domestic fixed satellite service, as detailed in Exhibit F to this letter. Once my staff and I obtain the relevant password for the FRN associated with that licensee and license, I will make the necessary electronic filing with FCC Form 312 via the Commission's International Bureau Filing System.

This waiver request satisfies the requirements for grant as specified in to 47 C.F.R. § 1.3. Good cause exists for grant of a waiver, as I have no reasonable alternative for complying with the requirements of 47 C.F.R. §§ 25.110(b), 25.119(d), and 25.130 absent a waiver. Due to unique and unusual factual circumstances, where those persons who likely would have the relevant FRN passwords are no longer employed or retained by New ICC and its subsidiaries, I have been unable to obtain the relevant passwords. Consequently, application of 47 C.F.R. §§ 25.110(b), 25.119(d), and 25.130 absent a waiver would disserve the purposes of those rules, as the waiver request is made to ensure ultimate compliance with those rules—an outcome that will clearly serve the public interest.

#### V. Waiver Request with Respect to Terrestrial Wireless Licenses and an Aeronautical and Fixed License

Pursuant to 47 C.F.R. § 1.925, I request a waiver of the electronic filing and application requirements in 47 C.F.R. §§ 1.913(b) and 1.948(g) with respect to the involuntary transfers of control of terrestrial wireless licenses and an aeronautical and fixed license, as detailed in Exhibit G to this letter. Once my staff and I obtain the relevant passwords for the FRNs associated with these licensees

and licenses, I will make the necessary electronic filings with FCC Form 603 (for terrestrial wireless licenses) and Form 605 (for the aeronautical and fixed license) via the Commission's Universal Licensing System ("ULS").

This waiver request satisfies the requirements for grant as specified in to 47 C.F.R. § 1.925(b)(3). Most critically, I have no other reasonable alternative for complying with the requirements of 47 C.F.R. §§ 1.913(b) and 1.948(g) absent a waiver. Due to unique and unusual factual circumstances, where those persons who likely would have the relevant FRN passwords are no longer employed or retained by New ICC and its subsidiaries, I have been unable to obtain the relevant passwords. Consequently, application of 47 C.F.R. §§ 1.913(b) and 1.948(g) absent a waiver would dissuade the purposes of those rules, as the waiver request is made to ensure ultimate compliance with those rules—an outcome that will clearly serve the public interest.

**VI. Waiver Request with Respect to Cable Relay Service ("CARS") Licenses**

Pursuant to 47 C.F.R. §§ 1.3 and 78.20(b), I request a waiver of the electronic filing and application requirements in 47 C.F.R. §§ 78.20(c) and 78.35(b) with respect to the involuntary transfer of control of the CARS licenses detailed in Exhibit H to this letter. Once my staff and I obtain the relevant password for the FRN associated with that licensee and license, I will make the necessary electronic filing with FCC Form 327 via the Commission's Cable Operations and Licensing System ("COALS").

This waiver request satisfies the requirements for grant as specified in to 47 C.F.R. §§ 1.3 and 78.20(b). Good cause exists for grant of a waiver, as I have no reasonable alternative for complying with the requirements of 47 C.F.R. §§ 78.20(c) and 78.35(b) absent a waiver. Due to unique and unusual factual circumstances, where those persons who likely would have the relevant FRN passwords are no longer employed or retained by New ICC and its subsidiaries, I have been unable to obtain the relevant passwords. Consequently, application of §§ 78.20(c) and 78.35(b) absent a waiver would dissuade the purposes of those rules, as the waiver request is made to ensure ultimate compliance with those rules—an outcome that will clearly serve the public interest.

**VII. Waiver Request with Respect to Antenna Structure Registration**

Pursuant to 47 C.F.R. § 1.3, I request a waiver of the electronic filing and application requirements in 47 C.F.R. § 17.57 with respect to the involuntary transfer of control of the antenna structure registration detailed in Exhibit I to this letter. Once my staff and I obtain the relevant password for the FRN associated with that licensee and license, I will make the necessary electronic filing with FCC Form 854 via the Commission's Antenna Structure Registration ("ASR") System.

This waiver request satisfies the requirements for grant as specified in to 47 C.F.R. § 1.3. Good cause exists for grant of a waiver, as I have no reasonable alternative for complying with the requirements of 47 C.F.R. § 17.57 absent a waiver. Due to unique and unusual factual circumstances, where those persons who likely would have the relevant FRN passwords are no longer employed or retained by New ICC and its subsidiaries, I have been unable to obtain the relevant passwords.

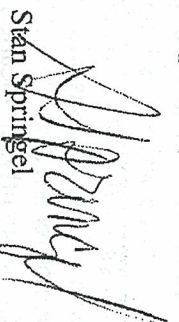

Consequently, application of § 17.57 absent a waiver would disserve the purposes of those rules, as the waiver request is made to ensure ultimate compliance with those rules—an outcome that will clearly serve the public interest.

\* \* \* \*

For the reasons stated above, I respectfully request that the Commission accept the above-noted notifications of involuntary transfers of control and involuntary assignments of Commission licenses, authorization holders, and registrants. I further respectfully request that the Commission grant the above-noted waiver requests and reset the passwords for the FRNs listed in Exhibits C through H as attached to this letter.

Please contact me at the addresses or telephone numbers above should you have any questions or require further information.

Respectfully submitted,
