Ms. Mukhoty:

Per our discussion today regarding the pending application for consent to the transfer of control of Orlando Telephone Company', Inc.'s Section 214 international authorization to Summit Broadband, this confirms our understanding that upon consummation of the transaction contemplated by the application, control of Orlando Telephone Company, Inc. will be transferred from its present ownership to Summit Broadband. Subsequent thereto, Orlando Telephone Company, Inc. will be merged into Summit Broadband and will no longer exist as a separate legal entity. At the appropriate time, we will file with the Commission a *pro forma* application reflecting the merger of Orlando Telephone into Summit Broadband.
