Hi Sumita:

I received your call but I have been out of town all week. Please forgive my tardy response.

Regarding your inquiry, please let this email serve as formal notification to the FCC that the respective voting interests of the members (Timothy McGinn, David Smith and Mario Bustamante) of TDMM Cable Funding, LLC ("TDMM") track their respective equity interests in TDMM. Please let me know if there is any additional information that you require.

Thanks for your cooperation and assistance.

Respectfully,  
Ben Bronston
