**RE: ITX – T/C-20100104-00001 Surfcreek Communications, Inc.**

I am here by writing to request temporary hold be placed on the recent 214 transfer petition filed to the FCC on my behalf. There are some internal matters that need to be discussed and agreed to before this transfer petition should be processed.

Please note that this is not a request to cancel the petition, but rather a request to place a temporary hold on the petition pending my confirmation that the processing of the petition can move forward.

If you have any question, do not hesitate to contact me on 412-726-3411 or via email at [t.mbandi@surfcreek.com](mailto:t.mbandi@surfcreek.com)

Sincerely

A handwritten signature in blue ink, appearing to read "Chig Thierry Mbandi", is written over the typed name and title. The signature is stylized and extends downwards with a long, thin stroke.
