Verson Studio has amended its above-referenced application, which we forwarded to you on May 29, 2009 (see EB 2009-20), to reflect a substantial change in ownership. In its July 15, 2009 amendment, Applicant identifies Doris Martinez, a U.S. citizen, as owning 100 percent of Verson Studio. In the application as originally filed, applicant identified its 100 percent owner as Carlos-Enrique M. Campbell, a Mexican citizen. Thus, according to the applicant, it no longer has any foreign ownership. We are currently reviewing this application in light of Ms. Martinez's indictment on charges relating to an alleged scheme to defraud the FCC's Video Relay Service (VRS) program.

Sincerely

George Li, Deputy Chief, Policy Division
