RE: Tricom USA, Inc., Application for Consent to Transfer Control of Blanket Domestic Section 214 Authority, WC 10-150; Application for Consent to Transfer of Control of International Section 214 Authorizations (ITC-T/C-20100719-00295); Application for Consent to Transfer of Control of Interests in Submarine Cable Landing Licenses (SCL-T/C-20100719-00014): Supplemental Filing

Dear Ms. Dortch:

On behalf of Tricom USA, Inc. ("Tricom USA") and its shareholders (collectively "Transferor") and AMZAK Capital Management, LLC ("AMZAK") and its members (collectively "Transferee") (Transferor and Transferee together the "Parties"), this supplement is being submitted at the request of Commission staff in the Wireline Competition Bureau and International Bureau with regard to the above-referenced Domestic Section 214, International Section 214 and Submarine Cable Landing License ("SCL") Transfer of Control Applications (collectively, the "Transfer of Control Applications").

On January 28, 2011, the Parties filed a request for, and were granted, extension of Special Temporary Authority ("STA") seeking extension of the domestic STA originally granted by the Wireline Bureau on August 5, 2010, and extended by the Wireline Bureau on October 1, 2010 and November 30, 2010, pending Commission approval of the Parties' Transfer of Control Applications ("STA Extension Request").<sup>1</sup> In the January 28, 2011 domestic STA Extension Request, the Parties reported that Broadband Investments Limited ("Broadband") and PTY Capital Partners Ltd. ("PTY Capital Partners") held, respectively, 55.9 and 20.5 percent ownership interests in Hispaniola Telecom Holdings, Ltd. ("Holding Company"). These percentages were based upon percentages originally reported in the July 19, 2010 Transfer of Control Applications, and are no longer correct. As last reported in the November 30, 2010

---

<sup>1</sup> On January 31, 2010, the Parties filed for, and were granted, new international (ITC-STA-20110131-00019) and SCL (SCL-STA-20110131-00004) STAs, or, in the alternative, extensions of the STAs granted by the Commission staff on August 4, 2010 (ITC-STA-20100719-00297 / SCL-STA-20100719-00016) and extended on October 5, 2010 (ITC-STA-20101001-00390 / SCL-STA-20101004-00023) and December 2, 2010 (ITC-STA-20101202-00466 / SCL-STA-20101202-00028).

domestic STA Extension Request, the current Holding Company ownership percentages for Broadband and PTY Capital Partners are, respectively, 52.22 and 19.24 percent.<sup>2</sup>

The Parties regret the oversight, and, by means of this Supplement, hereby correct and update the January 28, 2011 domestic STA Extension Request as well as the underlying Transfer of Control Applications.

Should there be any questions in regard hereto, please communicate with the undersigned.

Respectfully submitted,

Michelle Cohen
