**CONSOLIDATED APPLICATION FOR AUTHORIZATION TO TRANSFER CONTROL OF
INMATE CALLING SOLUTIONS, LLC**

Pursuant to Section 214 of the Communications Act of 1934, as amended (the “Act”), and Sections 63.03, 63.04 and 63.24 of the Commission’s Rules, Texas ICS Holding, LLC (“TICS” or “Transferor”) along with Centric Group, LLC (“Centric” or “Transferee”) (together "Applicants"), hereby seek authority to transfer control of Inmate Calling Solutions, LLC d/b/a ICSolutions (“ICS” or “Licensee”) to Centric.

In Section IV of this application, the Applicants provide the information required by Sections 63.18 and 63.24 of the Commission’s Rules for transfer of control. As specified by Section 63.04(b) of the Commission’s Rules, the additional information required for the domestic component of this application is provided in Section V.

Applicants respectfully request streamlined treatment of this Application pursuant to Sections 63.03 and 63.12 of the Commission’s Rules. As will be shown below, both the domestic and international components of this application qualify for streamlined processing.

I. DESCRIPTION OF THE APPLICANTS

A. Transferor (Texas ICS Holding, LLC)

Texas ICS Holding, LLC (“TICS”) (f/k/a Michael R. Smith and Group) was formed in 2008 for the purpose of acquiring ICS. Currently, TICS owns 99% of the equity interest in ICS and Michael R. Smith owns the remaining 1%.

B. Transferee (Centric Group, LLC)

Centric Group, LLC is a diversified holding company who, together with its subsidiaries, has been serving the correctional industry since 1974. Keefe Commissary Networks, LLC (“KCN”), a subsidiary created in 1993, provides software that correctional facilities use to set up and manage inmate trust accounts. KCN also contracts with correctional facilities to manage daily commissary operations by taking, filling and delivering commissary orders for inmates. KCN is affiliated for marketing purposes with a cooperative effort known as the Keefe Group. The Keefe Group includes Keefe Supply Company (a division of Centric), Keefe Commissary Networks, L.L.C and Access Catalog Company, LLC (a subsidiary of Centric providing mail order catalog services to inmates).

C. Licensee (Inmate Calling Solutions, LLC d/b/a ICSolutions)

Inmate Calling Solutions, LLC is a California Limited Liability Company headquartered in San Antonio, TX. ICS has been providing institutional calling services since 2003, and currently serves correctional facilities in thirty-one states. ICS’ mission is to focus on advanced technology and proven resources into transforming the inmate calling arena. Its dedication to ongoing technology advances, market-specific solutions, and unsurpassed customer service has earned ICS a reputation as an emerging industry leader.

II. DESCRIPTION OF THE TRANSACTION

On July 30, 2010, Buyer and Seller entered into a purchase agreement whereby Buyer proposes to purchase 100% of Seller’s ownership interests in ICS in return for a cash payment and other consideration, thereby acquiring 99% of the equity ownership of ICS. The remaining 1% will continue to be owned by Michael R. Smith. No change in day-to-day management or employees is contemplated. The transaction is expected to be completed by October 31, 2010, subject to all regulatory approvals.

III. PUBLIC INTEREST STATEMENT

The transfer of control to Centric will serve the public interest. Centric's experience and success in service industries supporting correctional facilities make the company particularly well-qualified to acquire ownership of ICS. The Transfer will be transparent to the users of ICS' services and will not have an adverse effect on them. There will be no change to services, rates, terms or conditions of service. ICS will continue its mission to develop and offer innovative solutions responding to the demands of the corrections market, serving the needs of inmates and their families as well as facility management personnel.

EXHIBIT A

INFORMATION REQUIRED BY RULE 63.04

63.04(a)(6): Description of the Transaction

The proposed transaction is described in Section II of the Application.

63.04(a)(7): Description of Geographic Service Areas

Neither Transferor nor Transferee is a telecommunications provider.

Licensee is an institutional services provider certificated, registered or otherwise authorized to provide service in all states except Alaska, Connecticut, Delaware, Hawaii, Nebraska, Vermont, and West Virginia. Licensee currently contracts with correctional facilities to provide service in thirty one states.

63.04(a)(8): Eligibility for Streamlined Processing

Applicants submit that the proposed transaction would result in Centric's market share in the institutional calling services market to be substantially less than ten percent. ICS provides competitive telecommunications services exclusively in geographic areas served by a dominant local exchange carrier that is not a party to this transaction. No applicant is dominant with respect to any service. Therefore, this Application presumptively qualifies for streamlined processing pursuant to Section 63.03(b)(2)(i) of the Commission's rules.

63.04(a)(9): Other Related FCC Applications

None.

63.04(a)(10): Statement of Imminent Business Failure

No special consideration is requested as no party to the transaction is facing imminent business failure.

63.04(a)(11): Separately Filed Waiver Requests

None.

63.04(a)(12): Public Interest Statement

The public interest statement is provided in Section III of the Application.
