VERIFICATION

I, Richard Yurich, am the trustee of the Jason G. Hirzel Trust Dated December 20, 2008, as amended and restated (the "Hirzel Trust"). I am authorized to represent the Hirzel Trust and its beneficiaries and affiliates and to make this verification on their behalf with respect to the Applications of YourTel America, Inc. ("YourTel") in WC Docket No. 11-11 and IB File No. ITC-T/C-INTR2011-00102.

1. The Hirzel Trust does not, at present, hold international Section 214 authority granted by the Federal Communications Commission ("FCC").

2. The Hirzel Trust (a) is not a foreign carrier and is not affiliated with a foreign carrier, and (b) will not become a foreign carrier or become affiliated with a foreign carrier as a result of the transaction described in the Applications.

3. The Hirzel Trust does not seek to provide international telecommunications services to any destination country where (i) the Hirzel Trust is a foreign carrier; (ii) the Hirzel Trust controls a foreign carrier; (iii) any entity that owns more than 25 percent of the Hirzel Trust, or that controls the Hirzel Trust, controls a foreign carrier; or (iv) two or more foreign carriers (or parties that control foreign carriers) own, in the aggregate, more than 25 percent of the Hirzel Trust and are parties to, or the beneficiaries of, a contractual relation affecting the provision or marketing of international basic telecommunications services in the United States.

4. The Hirzel Trust has not agreed to accept special concessions directly or indirectly from any foreign carrier with respect to any U.S. international route where the foreign carrier possesses market power on the foreign end of the route, and will not enter into such agreements in the future.

5. The Hirzel Trust is not subject to a denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.

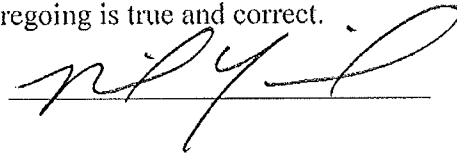

6. With respect to the Hirzel Trust, the Application for authority to transfer control of YourTel as the holder of international Section 214 authority qualifies for streamlined treatment under Section 63.12(c) of the Commission's Rules because (i) the Hirzel Trust is not affiliated with a foreign carrier and will not become affiliated with any foreign carrier as a result of the proposed transaction; (ii) the Hirzel Trust is not affiliated with any dominant U.S. carrier whose international switched or private line services YourTel seeks authority to resell, nor will the Hirzel Trust become so affiliated as a result of the proposed transaction; and (iii) none of the other scenarios outlined in Section 63.12(c) of the Commission's Rules, 47 C.F.R. § 63.12, apply.

7. With respect to the Hirzel Trust, the Application for authority to transfer control of YourTel as the holder of domestic Section 214 authority is eligible for streamlined processing pursuant to Section 63.03(b)(2) of the Commission's Rules because (1) the proposed transaction will result in YourTel (including the Hirzel Trust and its affiliates, as that term is defined in Section 3(1) of the Act) having a market share in the interstate, interexchange market of less than

10 percent; (2) YourTel (including the Hirzel Trust and its affiliates) will provide competitive telephone exchange services or exchange access services exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the transaction; and (3) neither YourTel, the Hirzel Trust, nor any of the Hirzel Trust's affiliates are regulated as dominant with respect to any service.

8. The statements made in the Applications and supplemental filings, except as otherwise specifically attributed, are true and correct to the best of my knowledge and belief.

I declare under penalty of perjury that the foregoing is true and correct.

Subscribed and sworn to before me this 27 day of
January 2011.
