Dear Ms. Dortch:

Software Cellular Network (North America) Ltd., through counsel, submits this update to the above-referenced applications pursuant to Section 1.65 of the Commission's Rules. *See* 47 C.F.R. §1.65.

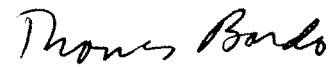

This is to report that, pursuant to a funding transaction that closed effective May 4 2012, Vollin Holdings Limited ("Vollin Holdings") holds a 68.63 percent interest in Truphone Limited ("Truphone"), the parent company of Software Cellular Network (North America) Ltd. The above-referenced applications reported that Vollin Holdings previously held a 58.81 percent interest in Truphone.

Further, as a result of the completion of the recent funding round, no shareholder holds a 10 percent or greater interest in Truphone. Specifically, Somercourt Investments Limited now holds a 7.88 percent interest in Truphone, and George Robinson holds a 5.15 percent interest in Truphone.
