Re: Notification, pursuant to Section 63.24(f) of the Commission's Rules, of pro forma transfers of control of One World Telecom, LLC, which holds blanket domestic Section 214 authority and international Section 214 authority (File No. ITC-214-20040116-00018)

Dear Ms. Dortch:

One World Telecom, LLC ("One World Telecom") (FRN: 0015327851), by its attorneys, hereby notifies the Commission of certain pro forma transactions pursuant to Section 63.24(f) of the Commission's Rules. These transactions occurred in 2010 and 2011 and notice regarding them has not been provided previously to the Commission.

*Ownership of One World Telecom Prior to the Transactions*

At the end of 2009, fifty (50) percent direct ownership of One World Telecom was held by One World Telecom, Inc. ("OWT"), a Florida corporation. OWT was owned in equal fifty (50) percent shares by Laurent Lamothe and Patrice Baker, both citizens of Haiti.

The remaining fifty (50) percent direct interest in One World Telecom was held by Business Telecommunications Services, Inc. ("BTS"), a Florida corporation. BTS, in turn, was wholly-owned by BTS Group, Inc., a Delaware corporation. BTS Group, Inc. was owned in equal fifty (50) percent shares by Rafael Olloqui and Ricardo Olloqui, both citizens of Spain.

*The 2010 Transaction*

Effective January 1, 2010, there was a pro forma change to the ownership of One World Telecom. OWT (the entity which held 50% direct ownership interest in One World Telecom) was replaced with a new intermediary company, Contact Communications, LLC ("Contact"), a Florida limited liability company owned in equal fifty (50) percent shares by Laurent Lamothe and Patrice Baker. No substantive change to One World Telecom's ownership occurred as Contact and OWT were each owned in equal shares by Laurent Lamothe and Patrice Baker. Following this transaction, direct ownership of One World Telecom was held by Contact (50%) and BTS (50%). Ultimate indirect ownership of One World Telecom continued to be held by the same four individuals as before the transaction: Laurent Lamothe (25%), Patrice Baker (25%), Rafael Olloqui (25%), and Ricardo Olloqui (25%).

*The 2011 Transaction*

Effective January 1, 2011, the ownership interest in One World Telecom held by Contact was transferred to a new intermediary entity, Telco Equipment & Support Services, Inc. ("TESS"). As with Contact (and OWT), TESS is owned in equal shares by Laurent Lamothe and Patrice Baker. Consequently, this transaction effected only a pro forma change to the ownership of One World Telecom. Following this transaction, ultimate indirect ownership of One World Telecom continues to be held by the same four individuals: Laurent Lamothe (25%), Patrice Baker (25%), Rafael Olloqui (25%), and Ricardo Olloqui (25%).

Diagrams of the ownership structure of One World Telecom prior to and following consummation of each transaction are provided in **Exhibit A**.

In accordance with Section 63.24(f)(2) of the Commission's Rules, One World Telecom provide the information requested in paragraphs (a) through (d) and (h) of Section 63.18 of the Commission's Rules. One World Telecom notes that with the exception of the information for Contact and TESS, all of the responsive information required by these provisions is the same following each transaction. Consequently, to simplify the filing, one set of responses is provided, with appropriate clarification for the Contact and TESS entries.
