**Section 63.18(d).** Intelsat Global S.A. (the Transferor) did not individually hold any international Section 214 authorizations. Intelsat Global Holdings S.A. (the Transferee) does not individually hold any international Section 214 authorizations. Intelsat General Corporation holds the international Section 214 authorization that is the subject of this notification: ITC-MOD-20050329-00170 (global facilities-based service or global resale service).

**II. ANSWER TO QUESTION 11**

The transaction constitutes a non-substantial (*pro forma*) transfer of control because ultimate ownership and control of Intelsat General Corporation has not changed. The Commission has previously approved each person or entity that directly or indirectly controls at least ten percent of the equity of the transferee, Intelsat Global Holdings S.A., in the *Intelsat-Serafina Order*.<sup>1</sup> There have been no material changes to Intelsat Global Holdings S.A.'s ultimate ownership and control since the date of the *Intelsat-Serafina Order*.<sup>2</sup>

In December 2009, the Commission also approved *pro forma* ownership changes.
