**Answer to Question 13**

This notification relates to the *pro forma* transfer of control of WOW!, the sole owner of Sigecom, which is authorized to provide service pursuant to international Section 214 authorization File No. ITC-214-19991026-00677. On July 17, 2012, the equity interest held by Avista was adjusted, and the voting interest in WOW! held by Avista was reduced from greater than 50 percent to approximately 31 percent. Ultimate control of WOW! and, in turn, Sigecom, was unchanged, and the transfer of control of Sigecom's authorization was thus entirely *pro forma* in nature.
