Dear Sir or Madam:

Deutsche Telekom AG (“Deutsche Telekom”), T-Mobile USA, Inc. (“T-Mobile”), and MetroPCS Communications, Inc. (“MetroPCS” and, together with Deutsche Telekom and T-Mobile, the “Applicants”) have filed applications (collectively, the “Applications”) pursuant to Sections 214 and 310(d) of the Communications Act of 1934, as amended, seeking Commission consent to the transfer of control of Personal Communications Service (“PCS”) and Advanced Wireless Services (“AWS-1”) licenses and leases, one lower 700 MHz license, as well as international 214 authorizations, held by MetroPCS and its wholly-owned and controlled subsidiaries and by T-Mobile and its wholly-owned and controlled subsidiaries to a newly combined entity.

Deutsche Telekom requests that the Commission condition its grant of the transfer of control applications on compliance with the provisions of the National Security Agreement (“NSA”) entered into on January 12, 2001, as amended, between Deutsche Telekom and the Department of Justice, the Federal Bureau of Investigation and the Department of Homeland Security, which is appended to the *DT-Voicemail Order*, 16 FCC Rcd 9779 (2001). *See* Public Interest Statement at 61-62. *See also T-Mobile-SunCom Order*, 23 FCC Rcd 2515 (2008) (appending the NSA amendment).

A copy of the Public Notice, (DA 12-1730, rel. October 26, 2012) in WT Docket No. 12-301, seeking comment on the proposed transaction is attached. Should you have any national security, law enforcement, foreign policy or trade concerns with the

proposed transaction, please file your comments with WT Docket No. 12-301 by **November 26, 2012**. See General Information section of the attached Public Notice, DA 12-1730.

For further information, contact David Hu, Broadband Division, Wireless Telecommunications Bureau, at (202) 418-7120, or Kathy Harris, Mobility Division, Wireless Telecommunications Bureau, at (202) 418-0609, or David Krech, International Bureau, at (202) 418-7443.

Sincerely

George Li
George Li, Deputy Chief, Policy Division
