<sup>1</sup> Question 3 on FCC Form 214TC requires a date of consummation for a notification of a *pro forma* transfer of control. Because the transaction has not closed, Applicants are not able to provide the actual date of consummation, but were nevertheless required to fill something in. Applicants have publicly stated that they hope to close the transaction in the first half of 2013.

International Section 214 Authority:

DT does not hold any international Section 214 authorizations. DT indirectly wholly owns and controls T-Mobile USA, Inc., a Delaware corporation, and T-Mobile Puerto Rico LLC, a Delaware limited liability company, and has an indirect 53.6 percent equity interest in Iowa Wireless Services Holding Corporation, a Delaware corporation. T-Mobile USA, Inc. holds three international Section 214 authorizations, File Nos. **Citizenship:** Germany  
**Principal Business:** Commercial banking  
**Percentage Held:** KfW, a bank controlled by the German government and federal states, holds approximately 17 percent of the ownership interests of DT.

**Name:** Federal Republic of Germany (“FRG”)  
**Address:** c/o Federal Ministry of Finance

**Percentage Held:** FRG directly holds approximately 15 percent of the ownership interests of DT.
