**PETITION TO ADOPT CONDITIONS TO  
AUTHORIZATIONS AND LICENSES**

The U.S. Department of Justice (“DOJ”) , including the Federal Bureau of Investigation (“FBI”), with the knowledge of the U.S. Department of Homeland Security (“DHS”) (collectively, “the Agencies”), submits this Petition to Adopt Conditions to Authorizations and Licenses (“Petition”) pursuant to Section 1.41 of the Federal Communications Commission (“Commission”) rules.<sup>1</sup> Through this Petition, the DOJ advises the Commission that the Agencies have no objection to the Commission approving the authority sought in the above-referenced proceeding, provided that the Commission conditions its approval on the assurance of Cascabel Networks LLC (“Cascabel”) to abide by the commitments and undertakings set forth in the August 12, 2014, Letter of Agreement from Cascabel to the DOJ (“the Agreement”), submitted herewith.

The Commission has long recognized that law enforcement, national security, and public safety concerns are part of its public interest analysis, and has accorded deference to the views of

other U.S. government agencies with expertise in those areas. *See In the Matter of Comsat Corporation d/b/a Comsat Mobile Communications, etc.*, 16 FCC Rcd. 21,661, 21707 ¶ 94 (2001).

After discussions and communications with the Applicant's representatives in connection with the above-referenced proceeding, the Agencies have concluded that the additional commitments set forth in the Agreement will help ensure that the Agencies with responsibility for enforcing the law, protecting the national security, and preserving public safety, can proceed appropriately to satisfy those responsibilities. Accordingly, the Agencies advise the Commission that they have no objection to the Commission granting the application in the above-referenced proceeding, provided that the Commission conditions its consent on Cascabel's compliance with the Agreement.

Respectfully submitted,
