**PETITION TO ADOPT CONDITIONS TO  
AUTHORIZATIONS AND LICENSES**

The Department of Justice (“DOJ”) and the Department of Homeland Security (“DHS”)(“the Agencies”) submit this Petition to Adopt Conditions to Authorizations and Licenses (“Petition”), pursuant to Section 1.41 of the Federal Communications Commission (“Commission”) rules.<sup>1</sup> Through this Petition, the Agencies advise the Commission that they have no objection to the Commission approving the authority sought in the above-referenced proceedings, provided that the Commission conditions its approval on the assurance of Broadband Satellite Services Ltd (“BSS”) to abide by the commitments and undertakings set forth in the January 31, 2014 Letter of Assurances (“LOA”), which is attached hereto. The above-referenced proceedings involve applications filed for transfer of control of section 214 authorization (ITC-214-20070110-00021) held by Horizon Mobile Communications, Inc. from One Horizon Group, Inc. to BSS, and transfer of control of section 214 authorization (ITC-214-20000803-00478) held by Satcom Global, Inc. from One Horizon Group, Inc. to BSS.

The Commission has long recognized that law enforcement, national security, and public safety concerns are part of its public interest analysis, and has accorded deference to the views of

other U.S. government agencies with expertise in those areas. *See In the Matter of Comsat Corporation d/b/a Comsat Mobile Communications, etc.*, 16 FCC Rcd. 21,661, 21707 ¶ 94 (2001).

After discussions with representatives of BSS in connection with the above-referenced proceeding, the Agencies have concluded that the additional commitments set forth in the LOA will help ensure that the Agencies with responsibility for enforcing the law, protecting the national security, and preserving public safety, can proceed appropriately to satisfy those responsibilities. Accordingly, the Agencies advise the Commission that they have no objection to the Commission granting the application in the above-referenced proceeding, provided that the Commission conditions its consent on compliance with the LOA.

Respectfully submitted,
