Prior Section 214 Authority

Nsight controls an International Section 214 authorization for global resale of switched services granted to its wholly-owned subsidiary NET LEC, LLC (File No. ITC-214-19970207-00070, granted March 21, 1997).

Under Transfer of Control File No. ITC-T/C-20071024-00436 Nsight obtained authority to control the International Section 214 authorization for global resale of switched services initially granted to Baynet, Inc. (File No. ITC-214-19970403-00193, granted May 23, 1997).

Nsight is currently seeking authority to acquire control of Borderland Communications, LLC's International Section 214 authorization for global resale of switched services (File No. ITC-214-19980715-00486, granted September 3, 1998) under File No. ITC-T/C-20131119-00318.

Answer to Question 11

The names, addresses, citizenship and principal businesses of the entities that own at least ten (10) percent of the equity of Transferee both prior to and subsequent to the proposed transaction are:

<u>Name & Address</u>	<u>Equity %</u>	<u>Voting%</u>	<u>Citizenship</u>	<u>Principal Business</u>
Patrick D. Riordan 450 Security Blvd. Green Bay, WI 54313	14.98%	16.00%	U.S.A.	Telecommunications
Robert H. Riordan 450 Security Blvd. Green Bay, WI 54313	11.32%	12.10%	U.S.A.	Telecommunications
Tailwind Capital Partners 485 Lexington Ave. New York, NY 10017	13.64%	14.57%	U.S.A	Private Equity

Transfer of Control of LCI's File No. ITC-214-19961112-00570

Family relationships: Patrick D. Riordan and Robert H. Riordan are siblings. The listed shareholders are shown with the total ownership and voting interests attributable to themselves and to their immediate families (spouses and/or children). With the exception of Patrick D. Riordan, no single member of any of the families owns or votes a 10% or greater interest; Robert H. Riordan owns less than 10% as an individual. The indicated voting interests are slightly higher than the indicated equity interests because there is a small amount of non-voting stock which dilutes the equity % relative to the voting %. No other individual or entity directly or indirectly will own ten percent (10%) or more of the equity of Nsight prior to or subsequent to the proposed transaction.

Answer to Question 13

The proposed transaction will be accomplished by the merger of Lakefield Acquisition II, Inc., a newly-formed Wisconsin corporation owned 100 percent by Nsight, with and into Lakefield, with Lakefield continuing as the surviving corporation. The existing shares and rights of Lakefield's pre-merger shareholders will be canceled and extinguished, subject to various provisions for the payment of the merger consideration to such pre-merger Lakefield shareholders, and Transferee's shares will be converted into shares of the surviving corporation. At the completion of the merger all of the issued and outstanding common stock of Lakefield will be owned by Nsight. Control of Lakefield will give Nsight control over the subject the International Section 214 authorization for global resale of switched services held by Transferor's wholly-owned subsidiary LCI -- File No. ITC-214-19961112-00570, granted December 31, 1996.

Answer to Questions 14, 15, 16, 17 and 18

(d) will be affiliated with a foreign carrier upon consummation of the proposed transfer of control.

Answer to Question 20
