**PETITION TO ADOPT CONDITIONS TO
AUTHORIZATIONS AND LICENSES**

The Department of Justice (“DOJ”) submits this Petition to Adopt Conditions to Authorizations and Licenses (“Petition”), pursuant to Section 1.41 of the Federal Communications Commission (“Commission”) rules.¹ Through this Petition, DOJ advises the Commission that it has no objection to the Commission approving the authority sought in the above-referenced proceeding, provided that the Commission conditions its approval on the assurance of Oxford Networks Holdings, Inc. and Oxford County Telephone & Telegraph Company to abide by the commitments and undertakings set forth in the April 28, 2014 Letter of Assurances (“LOA”), which is attached hereto. The above-referenced proceeding involves an application filed with the Commission requesting authority for the transfer of control of Oxford County Telephone & Telegraph Company, the ultimate parent of Oxford Telephone Company, Oxford West Telephone Company, Oxford County Telephone Service Company, Northeast Competitive Access Providers, LLC, and Revolution Networks, LLC, by Oxford Networks Holdings, Inc. and Oxford County Telephone & Telegraph Company, which hold certain domestic and international authorizations under Section 214 of the Communications Act of 1934, as amended.

¹ 47 C.F.R. § 1.41.

The Commission has long recognized that law enforcement, national security, and public safety concerns are part of its public interest analysis, and has accorded deference to the views of other U.S. government agencies with expertise in those areas. *See In the Matter of Comsat Corporation d/b/a Comsat Mobile Communications, etc.*, 16 FCC Rcd. 21,661, 21707 ¶ 94 (2001).

After discussions with representatives of Oxford Networks Holdings, Inc. and Oxford County Telephone & Telegraph Company in connection with the above-referenced proceeding, DOJ has concluded that the additional commitments set forth in the LOA will help ensure that DOJ, a U.S Government agency with responsibility for enforcing the law, protecting the national security, and preserving public safety, can proceed appropriately to satisfy those responsibilities. Accordingly, DOJ advises the Commission that it has no objection to the Commission granting the application in the above-referenced proceeding, provided that the Commission conditions its consent on compliance with the LOA.

Respectfully submitted,
