**Re: Transtelco, Inc. – Application for Transfer of Control of Section 214
Authorization (FCC File No. ITC-T/C-20150112-00008)**

Dear Ms. Dortch:

Transtelco, Inc. (“Transtelco”), by its attorneys and pursuant to Sections 1.65 and 63.21(a) of the Commission’s Rules, 47 C.F.R. §§ 1.65 & 63.21(a), hereby supplements the above-referenced application in response to a request for clarification from FCC staff. Transtelco reports that Axiscom, S.A. de C.V. (“Axiscom”), identified as a current 39.1% shareholder in Transtelco’s parent company, Transtelco Holding, Inc. (“THI”), first became a shareholder in Transtelco in January 2009, when it acquired a total of 26.15% of the company by purchasing shares from Miguel Fernandez and Rodrigo Fernandez. As detailed in the application, this stake was subsequently increased to a 40% interest held through THI, when that entity was formed on May 1, 2010. At that time and continuing to the present, Aida Floridet del Carmen Destarac Saenz has been the largest single shareholder in Axiscom. No other individual holds a 10% or greater share in THI, or Transtelco, through the Axiscom investment.

Please contact the undersigned counsel if you have any questions or require any additional information.

Respectfully submitted,

/s/ David S. Keir
