Answer to Question 13

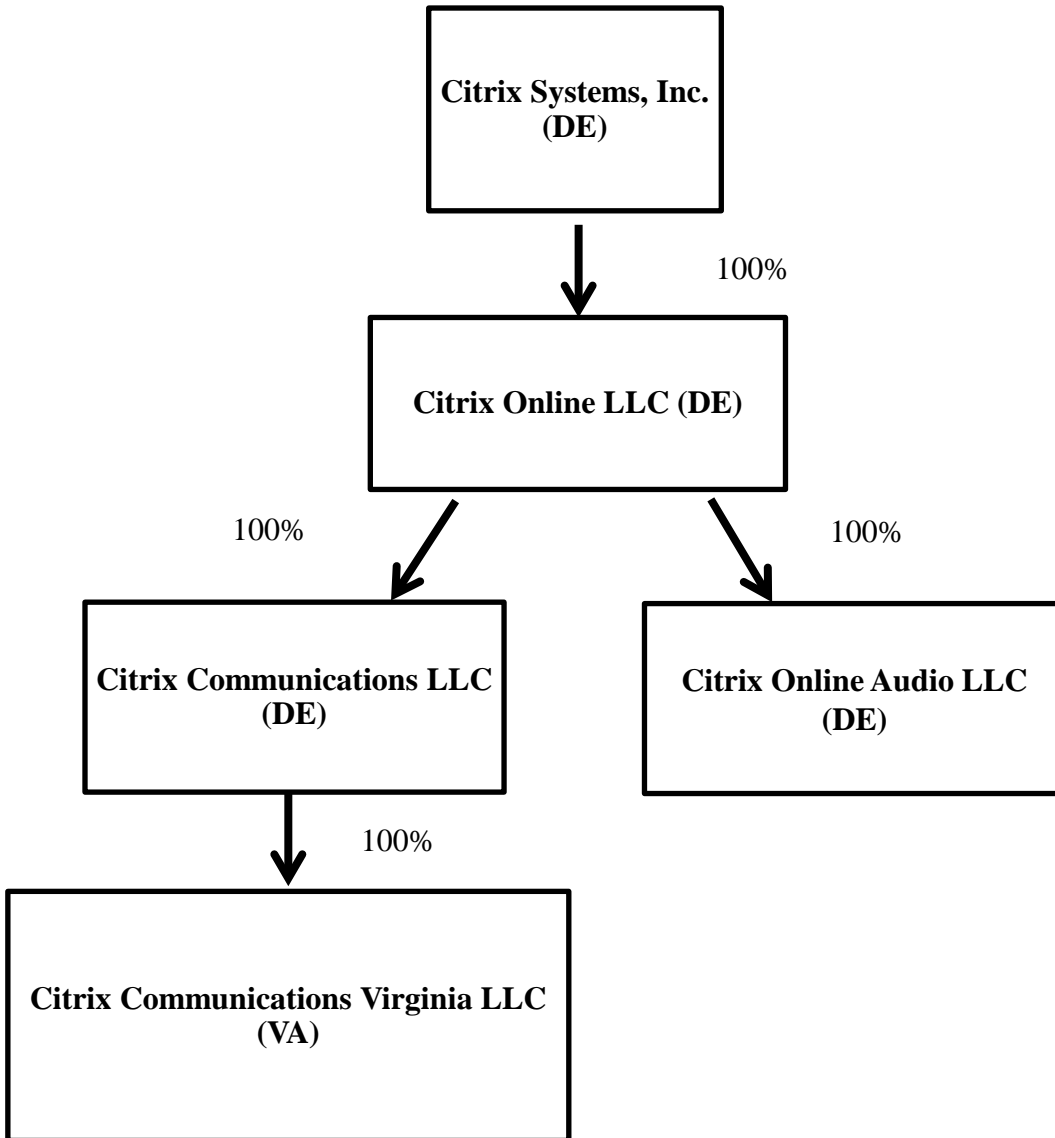

Effective January 1, 2015, Citrix Online, LLC (“Citrix Online”), a wholly-owned subsidiary, was merged with and into Citrix Systems, Inc. (“Citrix Systems”). The merger was effected in order to simplify internal corporate administration and structure. Citrix Systems assumed all rights and obligations under all outstanding contracts of Citrix Online.

In Attachment 2, Citrix Communications details Citrix Systems’ pre-consummation ownership structure. In Attachment 3, Citrix Communications details Citrix Systems’ post-consummation ownership structure.

Before and after the execution of each of these steps (collectively, the “*Pro Forma Transaction*”), the above-referenced international Section 214 authorization remained under the indirect ownership and control of Citrix Systems. Citrix Communications regrets that this notification was not made within 30 days of consummation of the *Pro Forma Transaction* but submits that no public-interest harms have result from the delay in filing this notification.
