**Re: WC Docket No. 15-148 and IB File No. ITC-T/C-20150612-00146:
Application under Section 214 of the Communications Act, as
Amended, for the Transfer of Control of TeleGuam Holdings LLC**

Dear Ms. Dortch:

In response to a question received from Jodie May of the Wireline Competition Bureau during a telephonic conversation on June 22, 2015, inquiring as to the status of the Public Notice regarding the above-referenced application, please be advised that Telekomunikasi Indonesia International (USA) Inc. ("Telkom USA") and its parent companies described in the application neither hold ownership interests in, nor have an affiliation with, any local exchange carrier or any other telecommunications carrier licensed to operate in or operating in the United States. As noted during the call, the proposed transferee, Telkom USA, has an international Section 214 application pending before the International Bureau of the Commission (IB File No. ITC-214-20140918-00265).
