Notification of the *Pro Forma* Transfers of Control of International Section 214 Authorizations Held By MVS USA, Inc.

MVS USA, Inc. (“MVS USA”) holds the following two international Section 214 authorizations: ITC-214-19970714-00397 and ITC-214-19970714-00399.

Prior to the transaction, MVS USA was indirectly owned 100% by Transferee Deborah Deffaa, a U.S. citizen. As a result of a corporate reorganization effective June 1, 2015, ownership of MVS USA has been transferred to Deborah Deffaa, such that she directly owns 100% of MVS USA. Because the reorganization did not result in a change in the ultimate control of the international Section 214 authorizations held by MVS USA, the transfer is properly classified as *pro forma*.

Also as part of the reorganization, MVS USA directly owns 100% of international Section 214 holder I-Linx LLC, which previously was owned directly by Deborah Deffaa (I-Linx LLC holds ITC-214-20050310-00092). A separate notification is being filed concurrently for the I-Linx LLC *pro forma* transfer of control.

Answer to Question 10

All communications in connection with this notification for either Transferor or Transferee should be directed to the following:
