Mr. Castro and Mr. Maldonado,

Please see attached letter and Public Notice sent to you today. In the letter, we indicated that the FCC's International Bureau dismissed your International section 214 application for failing to respond to multiple attempts to contact you for the purpose of entering into a Letter of Agreement (LOA) with the Executive Branch agencies. By Public Notice, the Bureau dismissed your application without prejudice (Public Notice Report No. TEL-01773; DA No. 16-121) on January 21, 2016.

Should you have any questions, please let us know. Thank you.
