If you answered "Yes" to this question, provide in Attachment 1, the name, address, citizenship, and principal businesses of each person or entity that directly or indirectly owns at least ten (10) percent of the equity of the assignee/transferee, and the percentage of equity owned by each of those persons or entities (to the nearest one percent).

TC3 Leasing Company, Inc.	100%	Michigan Corp.	Telecommunications

The 10% or greater owner of equity interests in TC3 Leasing Company, Inc. ("TLC") as of February 13, 2014 is as follows:

¹ In paragraph h of its original Section 214 International Application, filed on December 3, 2004, TC3 stated that no entity directly or indirectly owned at least 10% equity in TC3. That statement was incorrect and more accurately should have stated that TC3 was 100% owned by the JPM Trust. In 2008, TLC was formed, which was also owned 100% by the JPM Trust. At that time, the JPM Trust transferred the shares of TC3 to TLC. From the dates that JPM Trust was formed in 2002 and TLC was formed in 2008, Joseph P. Mattausch has been the individual directly or indirectly in control and directing the operations of TC3, TLC, and the JPM Trust.

Answer to Question 13

Provide in Attachment 1 a narrative of the means by which the proposed assignment or transfer of control will take place. In circumstances of a substantial assignment or transfer of control pursuant to Section 63.24(e), where the assignor seeks authority to assign only a portion of its U.S. international assets and/or customer base, please specify whether the assignor requests authority to continue to operate under any or all of its international Section 214 File Nos. after consummation; and, if so, please specify in Attachment 1 each File No. it seeks to retain in its own name.

The instant application for transfer of control is required to correct the inadvertent failure to seek and obtain the Commission's prior approval of the transfer of control of TC3 Telecom, Inc. ("TC3") as described in the accompanying application for Special Temporary Authority filed contemporaneously herewith and incorporated herein by reference.

In light of these facts, TC3 responded "no" to Question 22 in the FCC electronic form with respect to the transfer of control requiring the consent of the Commission.

Answer to Question 20

If the applicant desires streamlined processing pursuant to Section 63.12 of the rules, provide in Attachment 1 a statement of how the application qualifies for streamlined processing. (See Section 63.18(p).) Note that, if the application is being filed in connection with a sale of assets or reorganization of a carrier or its parent pursuant to the U.S. bankruptcy laws, the application may not be eligible for streamlined processing until final bankruptcy court approval of the proposed sale or reorganization.

This application qualifies for streamlined processing under Sections 63.12(a) and (b) of the Commission's Rules.

TC3 Telecom, Inc. ("TC3") is not affiliated with any foreign carrier in any destination market.

TC3 has no an affiliation with a dominant U.S. long distance carrier whose international switched or private line services the applicants seek authority to resell.

Rather, TC3 proposes through this application to correct the inadvertent failure to seek and obtain the Commission's prior approval of the transfer of control of TC3 and will continue to operate as a non-dominant carrier that resells the international switched services of one or more U.S. unaffiliated long distance carriers.
