214 TRANSFER OF CONTROL APPLICATION ATTACHMENTS

Response to Question 20 (63.18(p))

This application satisfies the criteria for streamlined processing pursuant to Section 63.12(a) of the Commission's rules because none of the provisions of Section 63.12(c) of the Commission's rules, which would prevent streamlined processing, apply to this transaction. Shenandoah Personal Communications, LLC is not affiliated with a foreign carrier in a destination market, nor does it have an affiliation with a dominant U.S. carrier whose international switched or private line services it seeks authority to resell. Therefore, pursuant to Section 63.12(a) of the Commission's rules, the Commission should deem this Application granted on the 15th day after the date of the public notice listing this Application as accepted for filing.
