Re: In the matter of the Joint Application of Great Lakes Comnet, Inc., Ace Telephone Association, and Ace Telephone Company of Michigan, Inc. for Approval of Transfer of Control of Great Lakes Comnet, Inc., Clinton County Telephone Company, Westphalia Telephone Company, Westphalia Broadband, Inc., and Comlink, LLC, to Ace Telephone Association and Ace Telephone Company of Michigan, Inc., pursuant to Section 214 of the Communications Act of 1934, as amended.

Dear Ms. Dortch:

Enclosed for filing with the Federal Communications Commission (“FCC”) via the Electronic Comment Filing System (“ECFS”) please find the following documents, a paper copy of which was filed with the FCC on August 24, 2015 (sent via US Priority Mail on August 21, 2015):

- (i) The above-referenced Joint Application requesting approval of the transfer of control of Great Lakes Comnet, Inc., Clinton County Telephone Company, Westphalia Telephone Company, Westphalia Broadband, Inc., and Comlink, LLC, to Ace Telephone Association and Ace Telephone Company of Michigan, Inc.; and
- (ii) A request for Special Temporary Authority (“STA”), bearing a date stamp of August 24, 2015.

A completed Fee Remittance Advice Form 159 and a check in the amount of \$1,130 to cover the amount of the filing fee for the Joint Application was previously provided with the paper copies of the above-referenced filings on August 21, 2015.

Please note that, when the April 21, 2015 paper filings were made, the Joint Applicants provided an extra copy of both the Joint Application and STA for date stamp and return in an enclosed pre-paid USPS envelope. Our office only received the stamped STA form returned, and not the Joint Application.

JOINT APPLICATION

Ace Telephone Association (“ATA”), Ace Telephone Company of Michigan, Inc. (“Ace Michigan”), Great Lakes Comnet, Inc. (“GLC”), Clinton County Telephone Company (“CCTC”), Westphalia Telephone Company (“WTC”), Westphalia Broadband, Inc. (“WBI”), and Comlink, LLC (“Comlink”), collectively “Joint Applicants,” hereby request, pursuant to § 214 of the Communications Act of 1934, as amended, 47 USC 214, and §§ 63.04 and 63.24 of the Federal Communications Commission’s (“Commission”) Rules, 47 CFR 63.04 and 63.24, *nunc pro tunc* approval of domestic and international § 214 authorization for the transfer of

control of GLC, CCTC, WTC, WBI, and Comlink to ATA and Ace Michigan. Information addressing the requirements of Commission Rule 63.04(a)(6) through (12) (47 CFR 63.04(a)(6) through (12)) is set forth in Attachment A to this Joint Application.

I. INTRODUCTION AND SUMMARY OF TRANSACTION

A. The Joint Applicants.

GLC is a privately-held Michigan corporation located at 1515 Turf Lane, Suite 100, East Lansing, Michigan, 48823. GLC currently has seventeen shareholders, most of which are independent telecommunications providers that operate at least in part in Michigan.

The chart below shows GLC's current corporate structure, including its wholly-owned subsidiary entities:

A summary of the services provided by the above-listed entities is set forth in Attachment A.

ATA (FRN 0002645927) is a telephone cooperative headquartered in Houston, Minnesota. ATA provides local exchange and long distance, broadband Internet services, video service, and a variety of other services in small towns and rural areas in Minnesota and Iowa.

Ace Michigan (FRN 0002756187) is a wholly-owned subsidiary of ATA that provides, as an incumbent local exchange carrier (“ILEC”) and as a competitive local exchange carrier (“CLEC”), exchange access, domestic long distance service, broadband Internet service, and video services in various exchange areas in Michigan. Ace Michigan is a shareholder of GLC. A summary of the services provided by ATA and its subsidiaries is set forth in Attachment A.

B. Summary of Transaction.

In several transactions occurring in 2014 and 2015, GLC issued new and additional shares of its common stock to its existing common shareholders. Prior to a stock issuance that occurred on October 6, 2014, no shareholder or entity had a fifty percent or greater ownership interest in GLC, either directly or indirectly. On October 6, 2014, Ace Michigan, as well as other GLC shareholders, purchased shares from GLC, and as a result of Ace Michigan’s stock purchase on this date it became the holder of approximately 51% of the common stock of, and thereby acquired a controlling interest in, GLC. Applying 47 CFR 63.03(d)(1) (footnote 1) and 47 CFR 63.09(b) (second sentence), as of October 6, 2014, ATA, as the parent company of Ace Michigan is also deemed to have acquired a controlling interest in GLC as a result of Ace Michigan’s stock acquisition. By virtue of Ace Michigan’s and ATA’s acquisition of a controlling interest in GLC, they also acquired a controlling interest in GLC’s wholly-owned subsidiaries, CCTC, WTC, WBI, and Comlink.

The obtaining of the Commission’s prior approval of ATA’s and Ace Michigan’s acquisition of a controlling interest in GLC was inadvertently overlooked. This situation was recently discovered, prior to any inquiry by the Commission, in connection with the transfer or otherwise. By the instant Joint Application, Joint Applicants are seeking approval for the transfer of such control.

Since ATA's and Ace Michigan's acquisition of a controlling interest in GLC and its subsidiaries, GLC and its subsidiaries have continued to provide high quality affordable services that are uniquely tailored to the needs of their customers. GLC and its subsidiaries are managed by the same executive management staff as before the transfer of control. Granting this Joint Application will have no adverse effect on the ability of any of the Joint Applicants to continue to serve their customers without interruption or change.

The Joint Applicants truly regret that they did not obtain prior Commission approval of the transfer of control, and are now promptly seeking to correct that oversight through this Joint Application. Because this oversight was purely inadvertent and approval of this Joint Application will not adversely affect GLC's or its subsidiaries' customers, or ATA's or its subsidiaries' customers, as they continue to receive the same service as before the transfer of control, Joint Applicants submit that granting this Joint Application is in the public interest.

II. INFORMATION REQUIRED BY § 63.18 OF THE COMMISSION'S RULES/SECTION 63.24(e) INFORMATION

As required by 47 CFR 63.24(e)(2), this Joint Application provides the information required under 47 CFR 63.18(a) through (d) for both the transferor and the transferees, and the information required in 47 CFR 63.18(h) through (p) only for the transferees (for international transfer of control). Pursuant to 47 CFR 63.04(b), additional information required by 47 CFR 63.04(a)(6) through (12) of the Commission's Rules (for domestic transfer of control) is contained in Attachment A hereto.

(j) Foreign Carrier and Destination Countries.

As evidenced by the certification attached to this Joint Application, Todd R. As evidenced by the certification attached to this Application, Paul M. Bowman and Todd R. Roesler certify, pursuant to 47 CFR 1.2001 through 1.2003, that no party to the Joint Application (or their affiliates or subsidiaries) is subject to a denial of Federal benefits pursuant to § 5301 of the Anti-Drug Abuse Act of 1988.

- (p) A statement as to how the Application fits into one or more of the presumptive streamlined categories in this section or why it is otherwise appropriate for streamlined treatment.**

This Application is eligible for streamlined processing under § 63.12 of the Commission's Rules, 47 CFR 63.12 because none of the exceptions to streamlined processing specified by paragraph (c) of § 63.12 applies.

III. PUBLIC INTEREST STATEMENT

The transaction described herein serves the public interest, convenience and necessity. Both before and after the October 6, 2014, stock issuance, GLC, WTC, WBI, and Comlink have used state-of-art technology to meet their customers' sophisticated communications needs. CCTC is a holding company that does not provide any services to the public. GLC, WTC, WBI, and Comlink will continue to provide high quality telecommunications services. The transaction has no adverse impact on customers, and will not trigger any rate increases. As the Joint Applicants are relatively small entities, the transaction has not and should not lead to the concentration of any market share, nor will it present any anti-competitive issues, or eliminate a competitor, because GLC, WTC, WBI and Comlink will continue to provide service as they did before the transfer of control. ATA and its subsidiaries, including Ace Michigan, will continue to provide services to their customers without change or interruption, and the transfer of control has had no impact on their customers.

The Joint Applicants truly regret that they did not obtain prior Commission approval of the transfer of control and are now promptly correcting that oversight through this Joint Application. Because this oversight was purely inadvertent and approval of this Joint Application will not adversely impact ATA, Ace Michigan, GLC, WTC, WBI, or Comlink customers, Joint Applicants submit that granting this Joint Application is in the public interest.

V. CONCLUSION

As demonstrated in this Joint Application, Joint Applicants submit that the public interest, convenience, and necessity would be furthered by a grant of this Application.

(8) A statement as to how the Application fits into one or more of the presumptive streamlined categories in this section or why it is otherwise appropriate for streamlined treatment—§§ 63.04(a)(8).

With respect to domestic authority, this Joint Application does not appear to fall within the presumptive streamlined categories. However, the Joint Applicants respectfully request prompt processing of this Joint Application so that they may carry out their proposed transaction.

(9) Identification of all other Commission Applications related to the same transaction—§§ 63.04(a)(9).

Through this Joint Application, Joint Applicants are seeking authority with respect to both international and domestic Section 214 authorizations (this Joint Application is being separately and concurrently filed with respect to both types of authorities in compliance with Commission rule 63.04(b), 47 CFR Section 63.04(b)).

(10) A statement of whether the applicants are requesting special consideration because either party to the transaction is facing imminent business failure—§§ 63.04(a)(10).

The Joint Applicants are not requesting such special consideration of this Joint Application at this time.

(11) Identification of any separately filed waiver requests being sought in conjunction with the transaction—§§ 63.04(a)(11).

As of the date of the filing of this Joint Application, no separate waiver request has been sought in conjunction with the transaction.

(12) A statement showing how grant of the Application will serve the public interest, convenience and necessity, including any additional information that may be necessary to show the effect of the proposed transaction on competition in domestic markets—§§ 63.04(a)(12).

Re: In the matter of the Joint Application of Great Lakes Comnet, Inc., Ace Telephone Association, and Ace Telephone Company of Michigan, Inc. for Approval of Transfer of Control of Great Lakes Comnet, Inc., Clinton County Telephone Company, Westphalia Telephone Company, Westphalia Broadband, Inc., and Comlink, LLC, to Ace Telephone Association and Ace Telephone Company of Michigan, Inc., pursuant to Section 214 of the Communications Act of 1934, as amended.

*****REQUEST FOR SPECIAL TEMPORARY AUTHORITY*****

Dear Ms. Dortch:

Ace Telephone Association (“ATA”), Ace Telephone Company of Michigan, Inc. (“Ace Michigan”), Great Lakes Comnet, Inc. (“GLC”), Clinton County Telephone Company (“CCTC”), Westphalia Telephone Company (“WTC”), Westphalia Broadband, Inc. (“WBI”), and Comlink, LLC (“Comlink”) (collectively, “Joint Applicants”), pursuant to Section 214 of the Communications Act of 1934, as amended, 47 USC 214, hereby respectfully request Special Temporary Authority (“STA”), for a period of sixty (60) days, to continue to provide service to customers pending the Federal Communications Commission’s (“FCC”) consideration of their Joint Application requesting approval for a transfer of control in the above matter, which is being filed contemporaneously with this request for Special Temporary Authority.

As detailed in the Joint Application, Ace Michigan and ATA acquired a controlling interest in GLC and GLC’s wholly owned subsidiaries, CCTC, WTC, WBI, and Comlink, on October 6, 2014. The transaction involved only Ace Michigan’s acquisition of a majority of GLC’s common stock, and did not result in a reduction or

impairment of service to any of the Joint Applicants' customers. However, the Joint Applicants did not seek the FCC's consent prior to the transfer of control, and are requesting this STA as part of a plan to correct any deficiency that may have resulted from this oversight. Grant of this STA is in the public interest as it will allow Joint Applicants to continue to provide uninterrupted service to their customers.

Joint Applicants acknowledge that grant of this STA extension will not prejudice any action that the FCC may take on the Joint Application. Joint Applicants further acknowledge that the STA can be revoked by the FCC on its own motion without a hearing, and that grant of an STA and the underlying application will not preclude enforcement action.

Please contact the undersigned if you have any questions.
