Dear Ms. Dortch:

This is to provide the supplemental information requested by the FCC staff with respect to Question 11 - Section 63.18(h) - Ten Percent or Greater Shareholders of the above-referenced Applications. Transferee Liberty Global provides the following to supplement, and substitute for, the final paragraph in the response to Question 11:

Following consummation of the Transaction, the following persons and/or entities are expected to have a shareholding greater than 10% of the voting and/or equity securities of Liberty Global:

John C. Malone
c/o 12300 Liberty Boulevard
Englewood, Colorado 80112
U.S. citizen

Voting Interest: Dr. Malone is expected to hold approximately 23.7% to 24.1% of the voting power of the Liberty Global Group shares and approximately 8.2% to 10.4% of the voting power of the Liberty Global Latin America and Caribbean Group shares. These holdings of Dr. Malone

would result in his holding approximately 22% of the voting power of Liberty Global plc.

Equity Interest: Dr. Malone is expected to hold shares representing an equity interest of approximately 3.4% to 4% in the Liberty Global Group and approximately 0.9 % to 3.3% in the Liberty Global Latin America and Caribbean Group. These holdings of Dr. Malone would result in an equity interest of approximately 3.5% in Liberty Global plc.

No other holder of shares of the Liberty Global Group or of the Liberty Global Latin America and Caribbean Group shares is expected to hold, directly or indirectly, a 10% or greater equity or voting interest in either group or in Liberty Global plc.

This letter is being filed via IBFS. If you have any questions, please contact the undersigned.

Respectfully Submitted,
