Dear Mr. Thompson:

On December 21, 2015, SatCom Global, Inc. (SatCom Global) filed the application for a pro forma transfer of control of international Section 214 authority, File No.: ITC-214-20000803-00478. We have not placed the application on public notice because SatCom Global has a delinquent debt to the Commission. SatCom Global must make full payment of the debt owed to the Commission within 30 days of the date of this notice, **by Wednesday, August 3, 2016**, or we will dismiss the application without prejudice to refileing pursuant to Section 1.1910(b)(3) of the Commission's rules.¹

Section 1.1910(a)(1) of the Commission's rules requires the Commission to examine each application to determine whether the applicant is delinquent in any non-tax debt owed to the Commission.² Section 1.1910(b)(2) of the Commission's rules requires the Commission to withhold action on applications, including requests for authorization by any entity found to be delinquent in its debt to the Commission.³ Section 1.1910(b)(3) of the Commission's rules states that "[i]f a delinquency has not been paid or the debtor has not made other satisfactory arrangements within 30 days of the date of the notice provided pursuant to paragraph (b)(2) of this section, the application or request for authorization will be dismissed."⁴

Based on our review, SatCom Global has a delinquent debt owed to the Commission and consequently its account is red lighted through the Red Light Display System. Please visit the Red Light Display System's website at www.fcc.gov/redlight to find more information on how to pay this debt.⁵
