**RE: Potential Dismissal of Section 214 Applications for Transfer of Control
File No.: ITC-T/C-20160119-00045**

Dear Mr. Popa:

On January 19, 2016, NECC Telecom, Inc. (NECC Telecom) filed applications for a transfer of control of domestic and international Section 214 authority, File No.: ITC-214-20020830-00419. We have not placed the applications on public notice because NECC Telecom has a delinquent debt to the Commission. NECC Telecom must make full payment of the debt owed to the Commission within 30 days of the date of this notice, by June 6, 2016, or we will dismiss the applications without prejudice to refiling pursuant to Section 1.1910(b)(3) of the Commission's rules.¹

Section 1.1910(a)(1) of the Commission's rules requires the Commission to examine each application to determine whether the applicant is delinquent in any non-tax debt owed to the Commission.² Section 1.1910(b)(2) of the Commission's rules requires the Commission to withhold action on applications, including requests for authorization by any entity found to be delinquent in its debt to the Commission.³ Section 1.1910(b)(3) of the Commission's rules states that "[i]f a delinquency has not been paid or the debtor has not made other satisfactory arrangements within 30 days of the date of the notice provided pursuant to paragraph (b)(2) of this section, the application or request for authorization will be dismissed."⁴

Based on our review, NECC Telecom has a delinquent debt owed to the Commission, and consequently its account is red lighted through the Red Light Display System. Please visit the Red Light
