Re: Supplement to Application for Transfer of Control of i-wireless, LLC
IBFS File No. ITC-T/C-20160623-00174

Dear Ms. Dortch:

On June 23, 2016, the above-referenced application (the “Application”) was filed seeking FCC consent to the transfer of control of i-wireless, LLC, from Genie Global, Inc. and The Kroger Co. to Sprint Corporation (“Sprint”). Exhibit D to Attachment 1 to the Application listed information regarding interlocking directorates in response to Question 12 of the Application and as required by 47 C.F.R. § 63.18(h).

By this letter, Sprint supplements the Application to reflect that Nikesh Arora, formerly the President and Chief Operating Officer of SoftBank Group Corp. (“SoftBank”), recently stepped down from his position at SoftBank and from his position on Sprint’s Board of Directors.¹

Please do not hesitate to contact me if you have any questions.

Respectfully submitted,

/s/ Norina Moy

¹ See Application at Attachment 1, Exhibit D, at 2. SoftBank has since announced that Ken Miyauchi will assume the role of President and Chief Operating Officer. Mr. Miyauchi does not hold a disclosable interest in Sprint at this time.
