Re: ITC-T/C-20160623-00174

Dear Ms. Dortch:

On June 23, 2016, i-wireless, LLC (“i-wireless”), its owners, Genie Global Inc. (“Genie”) and the Kroger Co. (“Kroger”), and Sprint Corp. (“Sprint”) jointly filed an application for consent to the transfer of control of international section 214 authorization ITC-214-20060724-00363, held by i-wireless, from Genie and Kroger to Sprint, in anticipation of consummation of a joint venture between i-wireless and Sprint (through its Assurance Wireless affiliate) to provide Lifeline service.¹ This application was granted by the Commission on July 15, 2016 (see Public Notice DA 16-827). On April 24, 2017, i-wireless, Genie, Kroger, and Sprint signed an agreement terminating the joint venture formation agreement. Therefore, pursuant to Section 63.24(e)(4) of the Commission’s Rules (47 C.F.R. Section 63.24(e)(4)), the undersigned hereby notify the Commission of their decision not to consummate the above-referenced transfer of control.

If you have any questions, please feel free to contact any of the undersigned.

Sincerely,

i-wireless, LLC
