**Answer to Question 13**

ATN underwent an internal corporate reorganization on September 16, 2016. As part of the reorganization, a new intermediate holding company – ATN VI, Inc. – was inserted in the ownership chain above ATN VI Holdings, LLC. ATN remains in control of Innovative Wireless, thus the reorganization did not affect the ultimate control of Innovative Wireless and was pro forma in nature. The following chart illustrates the pro forma reorganization.
