I. INTRODUCTION AND SUMMARY OF THE TRANSACTION

This application notifies the Federal Communications Commission (“FCC” or “Commission”) of the *pro forma* transfer of control of NextEra FiberNet, LLC (“Licensee”) from NextEra Energy Capital Holdings, Inc. (“Transferor” or “NEECH”)¹ to FN Investments, LLC (“Transferee” or “FN,” together with Licensee and Transferor, the “Parties”) that occurred on July 8, 2016, as part of an internal corporate restructuring. The Licensee before and after the transaction continued to be ultimately controlled by NextEra Energy, Inc. (“NEE”). Simplified pre- and post-transaction ownership charts are attached as **Exhibit A**.

Because the notice of this restructuring is being filed more than 30 days after the consummation date, the Parties respectfully request a waiver of the 30-day notification deadline contained in Section 63.24(f)(2) of the FCC’s rules. The Licensee takes its FCC compliance obligations seriously, and the delay in the filing of this notice is purely a result of an administrative oversight.

NEE is a publicly traded (NYSE: NEE) Florida corporation that, to the knowledge of its management, does not have any owners that hold a 10% or greater direct or indirect interest in NEE.² The transaction does not raise any foreign ownership concerns because none of the applicants is a foreign carrier or is affiliated with any foreign carriers.

Grant of this application is in the public interest because it will facilitate continued and uninterrupted service to the customers of the Licensee.

¹ NEECH was previously called FPL Group Capital Inc. The name was changed on December 1, 2010.

² Additional information regarding the ownership of NEE is available at <https://www.sec.gov/Archives/edgar/data/753308/000119312516525731/d149261ddef14a.htm>.
