

### **Notice of Consummation and Request for Waiver**

Hargray Communications Group, Inc. (“Hargray”) requests that the Federal Communications Commission (“Commission” or “FCC”) accept the following consummation notices for (1) a transaction that the Commission approved in 2007 and (2) a *pro forma* reorganization that took place in 2011. To the extent required, Hargray respectfully requests that the Commission waive its deadlines requiring notice within 30 days of consummation of a transfer of control, discussed further below. Hargray takes its FCC compliance obligations seriously, and the delay in filing notices with the Commission was an administrative oversight that was identified in the context of preparing applications seeking consent for a forthcoming transaction. Hargray has retained and consulted with FCC counsel and implemented additional procedures to prevent any such oversights in the future and to ensure full compliance of its license obligations. Consistent with Section 1.3 of the Commission’s rules, Hargray submits that a waiver is in the public interest and serves the underlying interest of the consummation notification rules by ensuring that the Commission’s records accurately reflect the present ownership of licensees.

### **Consummation Notices for 2007 Transaction**

On June 1, 2007 the Commission approved applications for three international Section 214 authorizations<sup>1</sup> held by Hargray, Inc., Hargray of Georgia, Inc., and Low Country Carriers, Inc. (d/b/a Hargray Long Distance Co.) from Hargray, the direct parent of these licensees, to Hargray Acquisition Co. LLC.<sup>2</sup> As part of the same transaction, on June 5, 2007 the Commission also approved an application for consent to transfer control of four receive-only earth station authorizations<sup>3</sup> held by Hargray CATV Company, Inc. from Hargray to Hargray Acquisition Co. LLC.<sup>4</sup>

While reviewing its regulatory filings in anticipation of a forthcoming transaction, Hargray was unable to locate any record of consummation filings made in IBFS for these transactions.<sup>5</sup> Out of an abundance of caution, Hargray requests that the Commission accept this notice that, on June 29, 2007, the transaction described in the aforementioned transfer of control applications was consummated. To effect this consummation notice, Hargray respectfully requests that the Commission waive its rules in (1) Section 25.119(f) requiring notice within 30 days of consummation of a transfer of control of an earth station authorization,<sup>6</sup> and (2) Section

***Pro Forma Reorganization in 2011***

On November 15, 2011, Hargray completed a non-substantial change to its corporate structure to eliminate Hargray Acquisition Co. LLC from the chain of legal entities between Hargray Communications Group, Inc. and the ultimate parent company of the Hargray family of companies at that time, Hargray Holdings LLC.<sup>8</sup> To eliminate this unnecessary corporate entity, Hargray Acquisition Co. LLC was merged into Hargray Communications Group, Inc., with the latter being the surviving entity (the “2011 Reorganization”). The effect of this *pro forma* reorganization was to eliminate an unnecessary, wholly-owned, legal entity between Hargray Holding LLC and Hargray Communications Group, Inc. and rationalize the Hargray ownership structure.

This 2011 Reorganization had no effect on the ultimate ownership structure or management of the Hargray family of companies in any respect. Hargray therefore provides this notice of consummation of the 2011 Reorganization for the three Section 214 authorizations held by Hargray Inc., Hargray of Georgia, Inc., and Low Country Carriers, Inc. (d/b/a Hargray Long Distance Co.)<sup>9</sup>

Because this notice is being filed more than 30 days after the transaction’s consummation date, Hargray respectfully requests that, for each of the three Section 214 authorizations identified above, the Commission waive its Section 63.24(f)(2) requirement that a notification be filed within 30 days of a *pro forma* transfer of control of a Section 214 authorization.<sup>10</sup> Pursuant to the rules,<sup>11</sup> Hargray provides the following information requested in paragraphs (a) through (d) and (h) of Section 63.18 for the transferee in each pro forma transaction:
