APPLICATIONS FILED FOR THE TRANSFER OF CONTROL OF WAVE HOLDCO, LLC TO RADIATE HOLDINGS, L.P.

PLEADING CYCLE ESTABLISHED

WC Docket No. 17-158

Comments/Petitions Due: July 26, 2017

Reply Comments/Oppositions to Petitions Due: August 10, 2017

By this Public Notice, we seek comment from interested parties on a series of applications filed by Radiate Holdings, L.P. (Radiate Holdings) and Wave Holdco, LLC (Wave Holdco) (together, Applicants), pursuant to Sections 214 and 310(d) of the Communications Act of 1934, as amended (Act), and Sections 63.04, 63.18, and 63.24 of the Commission's rules,¹ seeking approval to transfer control of various licenses and authorizations held by Wave Holdco to Radiate Holdings.²

Wave Holdco, a Delaware limited liability company, wholly owns, directly or indirectly, subsidiaries (collectively, Wave) that operate fiber-based distribution networks in California, Oregon, and Washington.³ The Wave entities provide Internet access, dark fiber, cable television, and competitive telecommunications services.⁴ Applicants state that the networks operated by Wave pass over 672,900 homes and serve over 473,200 residential, governmental, and business customers in more than 200 communities.⁵ Wave has also deployed 2,114 route miles of fiber in California to support the high-capacity services it offers to customers in Northern California.⁶

Radiate Holdings, a Delaware limited partnership, is a holding company that controls cable systems operated by RCN Telecom Services, LLC (RCN) and Grande Communications Networks LLC

¹ 47 U.S.C. §§ 214, 310(d); 47 CFR §§ 63.04, 63.18, 63.24. Consolidated Applications to Transfer Control of Domestic and International Section 214 Authorizations, WC Docket No. 17-158 (filed June 7, 2017) (Lead Application).

² In addition to domestic and international Section 214 authorizations, Applicants filed applications to transfer control of Cable Television Relay Services licenses, an earth station license, and various wireless licenses listed below. *Id.* at 3-4.

(Grande).⁷ Applicants state that RCN and Grande provide digital television, high-speed Internet, and voice telecommunications services to approximately 656,000 subscribers in the District of Columbia, Illinois, Massachusetts, Maryland, New York, Pennsylvania, Virginia, and Texas.⁸ Radiate Holdings is majority owned and controlled by certain investment funds ultimately controlled by the principals of TPG Global, LLC (TPG Global) (together with its affiliates, TPG).⁹ The following U.S. citizens are the principals of TPG Global: David Bonderman and James G. Coulter.¹⁰ Applicants state that Radiate Holdings will be managed, operated, and controlled by a Delaware limited liability company, Radiate Holdings GP, LLC (Radiate GP).¹¹ Applicants further state that the Board of Directors of Radiate GP is controlled by TPG.¹² All of the entities in the Radiate Holdings ownership chain are U.S.-based.

On May 18, 2017, Radiate Holdco, LLC, a Delaware limited liability company and an indirect subsidiary of Radiate Holdings, entered into a Securities Purchase Agreement with Wave Holdco and related entities to acquire all of the outstanding membership interests of Wave Holdco.¹³ At closing, Applicants state that Wave Holdco will become a wholly owned subsidiary of Radiate Holdco, LLC and an indirect wholly owned subsidiary of Radiate Holdings.¹⁴

Applicants assert that a grant of the transfer of control applications will serve the public interest without posing any harm to consumers.¹⁵ They state that the proposed transaction will not result in consolidation of overlapping cable or telecommunications providers and will result in a stronger competitor to larger providers of video, high-speed Internet, voice, and business data services.¹⁶ Applicants further state that the proposed transaction will result in more favorable financing and programming arrangements and achieve greater operational efficiencies.¹⁷
